

Joe Stockley

Hi! I'm Joe Stockley, I run communications for Diverse Cymru, I sit on the Independent Remuneration Panel for Wales as a public appointment, and I would love to be appointed for my second term as a WCVA trustee. I am the youngest trustee on the board, and I bring energy, communications expertise, and constructive challenge to the boardroom, making sure the trustee board is a positive space for everyone. As WCVA trustee I was involved in a wide range of work, a highlight for me was chairing the Voluntary Sector Emergency Fund and Voluntary Sector Recovery Fund delivery into charities in Wales, managing £16m of funding to support those who needed it most, investing time, skills and EDI knowledge to make the fund as accessible as possible, for which I won the Trustee of the Year from Cardiff Third Sector Council. I am a vocal proponent for youth engagement, as the South Wales Ambassador for the Young Trustees Movement I work tirelessly to make sure young people's voices really matter, and in voting for me you will be ensuring that youth voice is authentically championed in the WCVA boardroom.
