Welsh Government's Wales and Africa Grant Scheme

Round 8 Wales Africa Awardees

Organisation	Theme	Location	Project Description	Grant Awarded
Teams4U	Health and Lifelong learning	Uganda	Provide running water for children's, maternity & delivery wards in the only government-run hospital, including hot water for the operating theatre. In addition, the project will plumb water into two critical sub-county health centres, and support 30 schools with sanitation and menstrual provision necessary to meet national COVID compliance policies.	£125,000
Cardiff University, Phoenix Project	Health and Lifelong learning	Namibia, Zambia	Namibia has major COVID-19 vaccination resistance, especially amongst the vulnerable, remote and disadvantaged. Ministry of Health and Social Services, Disability Council and University partners will co-produce health promotion awareness campaigns for 90,000 of the most disadvantaged (disabled, elderly and inmates) and then deliver the vaccination programme itself, transforming countless lives.	£124,942
