Comic Relief Community Fund in Wales – Organisational Growth Awards 2022-23

Organisation	Project Description	Grant request
The Game Change Project	Learn and Grow will prime our organisation with business and marketing skills to establish new and innovative income streams. By boosting our organisational skill set we will improve our long-term sustainability and ultimately help more young people reach their full potential.	£36,952.00
Operasonic	We'll build our core capacity whilst challenging existing leadership development models. We'll develop a new leader and increase organisational resilience and reach. We'll create a sector-wide step change in supporting diverse leadership. We'll role model positive practice. At the end of the funding period, we will have developed a three-year business plan.	£30,247.00
Little Lounge	The funding will enable the employment of staff to provide oversight and business development, particularly in relation to the launch of the Eco Pantry. This capacity will ensure that the initiative and finances are managed effectively and efficiently, this will develop a new means of income generation	£22,580.36

	<p>which will help place us in a healthy, more resilient position going forwards as an organisation; which in turn will enable continued growth in the long term.</p>	
Citrus Arts	<p>Through conducting a programme of organisational assessment internally, consultative business planning sessions, and working through a Theory of Change process, we have ascertained that the current organisational need to enable growth is the requirement of additional capacity to free up time for leaders to develop the organisation strategically.</p>	£30,562.64
Aberystwyth And District Hospice At Home Volunteers	<p>HAHAV will recruit and seed-fund a 'Head of Retail' post for 12-months, to oversee the development and implementation of a transformational retail strategy. We seek to increase the charity's return on investment for its existing shop and warehouse in Aberystwyth, and scope opportunities for retail expansion across Ceredigion.</p>	£39,658.00
