BLWYDDYN O NEWID A HER

Wrth i ni droi'n golygon at adferiad yn dilyn diwedd cyfyngiadau'r pandemig, daeth heriau newydd i'r amlwg i fudiadau gwirfoddol yng Nghymru. Buom yn gweithio gyda'r sector i fynd i'r afael ag effaith argyfwng costau byw a chau Cronfeydd Ewropeaidd yng Nghymru, ar y mudiadau eu hunain ac ar y bobl a'r cymunedau maen nhw'n eu cefnogi.

Yn CGGC gwnaethom bopeth o fewn ein gallu i alluogi mudiadau gwirfoddol i lwyddo er gwaethaf yr heriau niferus rydym i gyd yn eu hwynebu.

- Gwnaethom ddosbarthu cyllid i fudiadau sy'n mynd i'r afael â rhai o'r materion mwyaf mewn cymdeithas.
- Wrth i'r newyddion dorri am y rhyfel yn Wcráin, buom yn gweithio'n gyflym gyda phartneriaid i helpu i gefnogi ffoaduriaid oedd yn ffoi o'r gwrthdaro.
- Er mwyn rhoi ein hunain yn y sefyllfa orau bosibl i gefnogi'r sector yn y dyfodol, aethom drwy raglen newid uchelgeisiol i ailddylunio a datblygu'r mudiad.

Yn ystod y cyfnod hwn dechreuom weithio i gyflawni ein cynllun strategol ar gyfer 2022-27, ac mae'r adroddiad hwn yn amlinellu rhai o'r pethau a wnaethpwyd i wneud cynnydd ar ein nodau uchelgeisiol. Trosglwyddwyd rôl y Cadeirydd o Peter Davies CBE i Dr Neil Wooding CBE. Estynnodd Peter groeso i Neil i deulu CGGC a diolchwyd i Peter am ei 11 mlynedd fel ymddiriedolwr, gan gynnwys wyth fel Cadeirydd.

Gobeithio y byddwch chi'n mwynhau ein Hadroddiad Blynnyddol.

Prif Weithredwr

Ein strategaeth

Gwyddom fod y blynnyddoedd diwethaf wedi bod yn anodd i bobl yng Nghymru a thu hwnt. Mae mudiadau gwirfoddol hefyd wedi wynebu adegau anodd iawn.

Er mwyn sicrhau y gallwn ni i gyd fynd i'r afael â heriau heddiw yn uniongyrchol, rydym wedi bod yn gweithio gyda'n staff a'n haelodau. Gyda'n gilydd rydym wedi bod yn meddwl am yr hyn y gallwn ei wneud dros y pum mlynedd nesaf i lunio dyfodol gwell i Gymru mewn ffordd gadarnhaol.

Y newid rydym eisiau ei arwain ledled Cymru

EIN NOD:

Mae'r sector gwirfoddol yn fwy amrywiol a gwydn

- Mae pobl fwy amrywiol yn cymryd rhan mewn gweithredu gwirfoddol
- Mae adnoddau mwy amrywiol yn cryfhau'r ddarpariaeth
- Mae mudiadau yn fwy gwydn

EIN NOD:

Mae mudiadau gwirfoddol yn bartneriaid cyfartal wrth gyflawni llesiant yng Nghymru

- Mae mudiadau gwirfoddol yn arwain newid cadarnhaol
- Mae'r holl sectorau yn cydweithio mwy i gyflawni uchelgeisiau cyffredin
- Mae ein democratiaeth yn mynd ati'n well i gefnogi mudiadau gwirfoddol i gymryd rhan

Ac er mwyn i CGGC sicrhau ein bod y gorau y gallwn ni fod

EIN NOD:

Mae CGGC yn fwy gwydn

- Mae CGGC yn ariannol gynaliadwy
- Mae CGGC yn addasu'n gadarnhaol i newid
- Mae CGGC yn rhoi mwy o gefnogaeth i'w bobl

Ein nod

Mae'r sector gwirfoddol yn fwy amrywiol a gwydn

- Mae pobl fwy amrywiol yn cymryd rhan mewn gweithredu gwirfoddol
- Mae adnoddau mwy amrywiol yn cryfhau'r ddarpariaeth
- Mae mudiadau yn fwy gwydn

Beth wnaethom ni

Gwnaethom ni ddosbarthu £27.5 miliwn mewn grantiau a benthyciadau i'r sector gwirfoddol, o'i gymharu â £28.9 miliwn yn 2021/22 a £47 miliwn yn 2020/21. Roedd hyn yn cynnwys £846,000 o fenthyciadau a ddyfarnwyd gan ein tîm Buddsoddi Cymdeithasol Cymru i 14 o fusnesau cymdeithasol neu fudiadau masnachu wirfoddol gwahanol i dyfu eu gweithgareddau a'u heffaith

Er mwyn cefnogi sector gwirfoddol mwy amrywiol, fe **wnaethon ni gyfrannu at Gynllun Gweithredu Cymru Wrth-hiliol** fel rhan o'r grŵp rhanddeiliaid. Mae'r cynllun yn amlinellu gweledigaeth o Gymru sy'n wrth-hiliol erbyn 2030. Gwnaethom ni hefyd gynnal sesiwn yn ein digwyddiad gofod3 o'r enw 'hyder Cydraddoldeb, Amrywiaeth a Chynhwysiant' gan rannu ein taith Cydraddoldeb, Amrywiaeth a Chynhwysiant i annog eraill sy'n gweithio yn y sector i drafod profiadau a chychwyn ar eu taith nhw eu hunain

Buom yn gweithio gyda mudiadau gwirfoddol i **gynyddu dealltwriaeth ac ymwybyddiaeth o sut i adeiladu eu 'gwydnwch'** mewn cyfnodau heriol. Roedd y gwaith hwn yn cynnwys ymchwil, digwyddiadau a blogiau ar y thema gan arwain at ddiffiniad newydd o wydnwch y sector gwirfoddol a model gweledol i gynorthwyo dealltwriaeth o'r gwahanol agweddau ar wydnwch

Gwnaethom ni gynnal Newid: Digidol ar gyfer y trydydd sector, sef rhaglen beilot o ddatblygu sgiliau digidol a chymorth i'r sector gwirfoddol yng Nghymru. Cynhaliodd Newid **amrywiaeth o weithgareddau i gefnogi mudiadau yn ddigidol** ac i gasglu dealltwriaeth werthfawr am anghenion cymorth yn y dyfodol. Mae'r prosiect yn bartneriaeth rhwng CGGC, Cwmpas a ProMo-Cymru, a ariennir gan Lywodraeth Cymru, ac a gefnogir gan y Ganolfan Gwasanaethau Cyhoeddus Digidol. Mae Newid bellach wedi sicrhau cyllid yn y dyfodol i barhau â'i waith o rannu arferion digidol da gyda'r sector gwirfoddol

Rydym yn parhau i wneud mwy o wahaniaeth gyda'n gilydd trwy gydweithio â phartneriaid. Mae Cefnogi Trydydd Sector Cymru yn cael ei gynnal mewn partneriaeth â'r Cynghorau Gwirfoddol Sirol lleol, ac mae'n rhwydwaith o gymorth i'r sector gwirfoddol sy'n ein galluogi i weithio gyda'n gilydd ar bedwar maes gwaith allweddol: gwirfoddoli, llywodraethu da, cyllid cynaliadwy, ac ymgysylltu a dylanwadu. Gwnaethom hefyd gefnogi'r sector drwy ein rhwydweithiau eraill fel Rhwydwaith Gwirfoddoli Cymru, Rhwydwaith Diogelu, a Chlymbaid Cydraddoldeb a Hawliau Dynol

Dde: Defnyddiodd Awesome Wales gyllid gan ein Cronfa Tyfu Busnesau Cymdeithasol (SBGF) i ddod â'u siop ddiwastraff i'r Barri, a dod yn ganolbwyt i'r gymuned yn y broses ►

Astudiaeth achos: Ffermio gwaelod y môr

Mae Grant Dechrau Busnes Carbon Sero gan CGGC wedi helpu Câr-y-Môr i symud eu busnes cymdeithasol i fyny gêr.

Mae Câr-y-Môr yn gymdeithas budd cymunedol a'r fferm gefnfor adfywiol gyntaf sy'n eiddo i'r gymuned o'i bath yng Nghymru. Gyda thair fferm beilot oddi ar Benmaen Dewi, mae eu busnes o dyfu gwymon a physgod cregyn wedi arwain at greu 11 o swyddi newydd a gwelliannau radical i'r amgylchedd arfordirol.

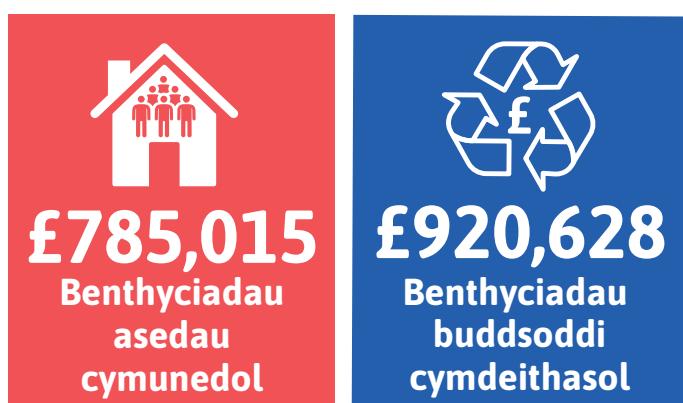

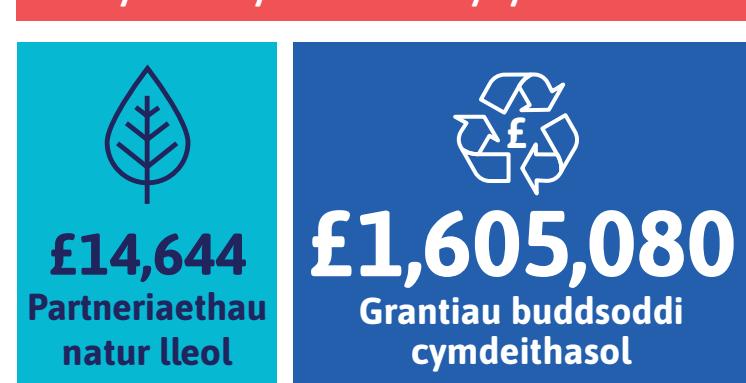

Derbyniodd Câr-y-Môr gyllid gan y Grant Dechrau Busnes Carbon Sero Net, rhan o gynllun peilot a reolir gan ein tîm Buddsoddi Cymdeithasol Cymru gan roi hwb mawr ei angen i fusnesau cymdeithasol newydd ledled Cymru. Mae'r cynllun hefyd yn cefnogi mudiadau newydd i wreiddio arferion da er budd yr hinsawdd o'r dechrau.

Chwe mis ar ôl derbyn y grant, roedd gan Câr-y-Môr sawl cynnrych newydd ar werth mewn marchnad wythnosol, gyda llawer mwy i'w dosbarthu ledled y wlad.

Esboniodd Rheolwr Cyllid Câr-y-Môr, Tracey Gilbert-Falconer: 'Mae'r Grant wedi ein helpu i gyflogi Tara, datblygwr cynnrych bwyd rhan-amser, sydd wedi bod yn creu cynhyrchion bwytadwy, fel spaghetti, o'r gwymon rydyn ni'n ei dyfu. Heb grant CGGC, fydden ni ddim wedi gallu defnyddio'r gwymon ar gyfer bwyd mor gyflym â hyn.'

Y gwahaniaeth a wnaethom

Gyda 97% o'r dysgwyr yn eu graddio nhw fel rhai da neu ragorol, gwnaethom ni ddarparu cymorth dysgu a chymorth cyfoedion drwy gyflwyno 50 o weminarau a chrysiau hyfforddi i 868 o gyfranogwyr

Roedd 93% o'r rhai a holwyd yn graddio gofod3 fel da neu ragorol. Am yr ail flwyddyn yn olynol, cynhaliwyd fersiwn ar-lein o gofod3, digwyddiad blaenllaw CGGC a'r cynulliad sector gwirfoddol mwyaf o'i fath yng Nghymru. Darparodd gofod3 wythnos o weminarau, gweithdai a thrafodaethau a fynychwyd gan 1,528 o bobl

Rhoddodd gwerthusiad annibynnol o'n Cronfa Cynhwysiant Gweithredol (AIF) sylw i bwysigrwydd y sector gwirfoddol wrth ddarparu rhaglenni cyflogadwyedd. Yn benodol canfu'r gwerthusiad fod y Gronfa yn rhyfeddol o hyblyg ac yn wydn yng nghyd-destun effeithiau pandemig COVID-19. Tynnodd sylw hefyd at bwysigrwydd Cynhwysiant

Gweithredol wrth adeiladu a gwella gallu ac arbenigedd y sector gwirfoddol wrth ddarparu rhaglenni cyflogadwyedd. Rheolir y Gronfa Cynhwysiant Gweithredol gan CGGC, gyda chefnogaeth cyllid gan Gronfeydd Strwythurol a Buddsoddi Ewropeaidd

Ym mis Ebrill 2022, cyhoeddodd y Gweinidog Cyflawnder Cymdeithasol, **Jane Hutt y byddai Llywodraeth Cymru yn symud i ddarparu grantiau tymor hwy i fudiadau gwirfoddol.** Roedd hyn yn dilyn misoedd o waith gan Is-bwylgor Cyllid a Chydymffurfio Cyngor Partneriaeth y Trydydd Sector (TSPC). Gallai rhai cynlluniau ddarparu cyfanswm o hyd at chwe blynedd o gyllid a fydd yn gwneud gwahaniaeth gwirioneddol i fudiadau a'u prosesau cynllunio ar gyfer y dyfodol

Cofrestrodd 103 o fudiadau â'r nod ansawdd Buddsoddi mewn Gwirfoddolwyr (liV) yn ystod y flwyddyn (cynnydd o 106% o'i gymharu â'r flwyddyn flaenorol), ac roedd 98% ohonynt yn cofrestru ar gyfer eu gwobr gyntaf. Gyda phartneriaid ledled

y DU, gwnaethom ni gynyddu diddordeb yn y nod Buddsoddi mewn Gwirfoddolwyr, gan gofnodi'r nifer uchaf o gofrestriadau ar gyfer y dyfarniad yng Nghymru. Yn ystod y flwyddyn mae 56 o fudiadau wedi gwneud cynnydd gyda'u cymhwyster, gyda 19 yn cyflawni'r nod ansawdd erbyn diwedd mis Mawrth 2023

Yn y cyfnod 2022/23 **ychwanegwyd 56 o gyllidwyr a 860 o gronfeydd at Cyllido Cymru a chofrestrodd 3,879 o ddefnyddwyr newydd.** Eleni gwnaethom rai o'r newidiadau mwyaf i'n platform chwilio am gyllid ers lansio'r wefan. Wedi'i gynnal mewn partneriaeth â'r Cyngorau Gwirfoddol Sirol lleol, mae Cyllido Cymru bellach yn caniatáu i ddefnyddwyr gadw chwiliadau a chael hysbysiadau uniongyrchol pan gaiff cyllid ei ychwanegu neu ei ddiweddar. Gwyddom fod capaciti bob amser yn rhwystr i fudiadau sy'n chwilio am gyllid, felly rydym hefyd wedi gwella cywirdeb y chwilio a chynyddu'r cymorth a gynigiwn i ddefnyddwyr Cyllido Cymru

Canmoliaeth i Fuddsoddi mewn Gwirfoddolwyr (liV)

‘Maen nhw’n eich cefnogi chi bob cam o’r ffordd ac mae wedi bod yn werth chweil i ni gymryd yr amser i fyfyrio ac arddangos yr effaith gadarnhaol y mae ein gwaith yn ei chael ar fywydau pobl.’ **Cydlynnydd Gwirfoddoli**

Yr hyn a ddywedoch am brosiect Newid

‘Roedd pawb mor gymwynasgar - gan fy nghyfeirio at gyngor ac arweiniad. Fe wnes i drawsnewid fy marn yn llwyr am ddigidol a sut y gallaf gefnogi fy mudiad.’

‘Mae'r gwaith drwy Newid wedi bod yn hynod werthfawr. Hoffwn weld mwy o fudiadau'n sicrhau'r cymorth hwn - byddai'n gwneud cymaint o wahaniaeth i'r sector. Dim ond dechrau'r daith ydw i, ond rydw i'n anelu at wreiddio'r dysgu. Os galla i wedyn raeadru hyn i fudiadau eraill, bydden nhw'n elwa gymaint - yn enwedig y mudiadau bach hynny heb lawer o gyllideb hyfforddi.’

‘Mae eich cymorth a’ch cefnogaeth yn amhrisiadwy a gwn y byddwn yn parhau i ddefnyddio hynny wrth i ni gyflwyno ein gwaith gwrth-hiliol.’

Cydlynnydd Gwirfoddoli

Adborth cymorth a gwasanaethau

‘Rwy’n teimlo y bydd y sgiliau rydw i wedi’u dysgu yn ddefnyddiol ym mhob agwedd ar fywyd proffesiynol a phersonol ac nid dim ond mewn sefyllfaoedd anodd gan fod defnyddio sgiliau’n gyson yn gallu helpu i atal yr angen am sgyrsiau anodd.’

Mynychwyr ar ein cwrs ‘Delio â sgyrsiau anodd’

‘Mae’n hanfodol bod polisiau a gweithdrefnau diogelu gwybodus ac effeithiol ar waith. Mae Suzanne a thîm diogelu CGGC wedi bod o gymorth enfawr wrth weithio gyda Daring to Dream, gan ein cyngori wrth ddatblygu ein polisi diogelu i fod yn un sy’n gyfredol ac yn “addas i’r diben”. Ar ran ein hymddiriedolwyr, diolch yn fawr iawn am eich cefnogaeth.’

Astudiaeth achos: Gwella iechyd yn Nigeria

Fe wnaeth cyllid Cymru ac Affrica gan CGGC helpu Shine Cymru a Sefydliad Festus Fajemilo i gefnogi pobl fel Gbemisola i wella eu hiechyd a'u rhagolygon i'r dyfodol.

Ganed Gbemisola gyda Spina Biffida ac roedd yn dioddef o faterion ymataliaeth o ganlyniad, ac roedd hyn wedi arwain ati'n wynebu stigma difrifol a gwatwar gan ei chyfoedion.

Ar ôl dechrau ar 'Achub Bywydau' Gwella'r Dyfodol!' y Sefydliad, dysgodd reoli ei materion ymataliaeth yn well, ac o'r diwedd daeth o hyd i'r hyder i wneud ffrindiau newydd a hyd yn oed fynd i'r brifysgol, gyda'r bwriad i ddod yn eiriolwr hawliau anabledd.

Nod prosiect Shine Cymru a Sefydliad Festus Fajemilo (FFF) yw cefnogi 250 o fabanod, plant a phobl ifanc - a'u teuluoedd - gyda spina biffida a

hydroceffalws i wella eu hiechyd trwy wella gofal a rheolaeth ymataliaeth mewn tri rhanbarth yn Nigeria.

Bu cyllid gan gynllun grant Cymru ac Affrica Llywodraeth Cymru, a weinyddir gan CGGC, yn gymorth i'r prosiect gryfhau ac ehangu i gyrraedd mwy o blant a theuluoedd.

Meddai Gbemisola: 'Mae fy mhrofiad ers ymuno â FFF wedi gwneud i mi gredu nad oes problem na ellir ei datrys yn y bywyd hwn. Dw i'n barod i rannu hyn unrhyw bryd, unrhyw le, dw i mor hapus.'

Dde: Enillodd Gbemisola hyder a ffrindiau newydd ar ôl cymryd rhan ym mhrosiect Cymru ac Affrica, Shine Cymru a Sefydliad Festus Fajemilo ►

Ein nod

Mae mudiadau gwirfoddol yn bartneriaid cyfartal wrth gyflawni llesiant yng Nghymru

- Mae mudiadau gwirfoddol yn arwain newid cadarnhaol

Beth wnaethom ni

Cyhoeddodd CGGC adroddiad ymchwil o'r enw Y dyfodol rydym yn ei greu: gwersi o wirfoddoli mewn pandemig yng Nghymru. Casglodd yr adroddiad **farn rhanddeiliaid allweddol i edrych ar effaith gwirfoddoli yn ystod COVID-19** a'r gwersi y gallwn eu dysgu ar gyfer y dyfodol. Gwnaeth hefyd nifer o argymhellion i gefnogi mudiadau sy'n cynnwys gwirfoddolwyr yn eu gwaith, fel sicrhau bod gan y sector fynediad at ddigon o gyllid ar gyfer adnoddau staff, gwellta hygyrchedd adnoddau ar gyfer grwpiau anffurfiol, a buddsoddi mewn gweithgareddau i alluogi mathau newydd o wirfoddoli a chydweithio

Gwnaethom ni barhau i sicrhau bod llais y sector gwirfoddol yn cael ei glywed gan y rhai sy'n gwneud penderfyniadau drwy **hwyluso cyfarfodydd rheolaidd rhwng grwpiau'r sector a Gweinidogion Llywodraeth Cymru**, gan gynnwys

cyfarfodydd Cyngor Partneriaeth y Trydydd Sector gyda'r Gweinidog Cyflawnder Cymdeithasol, Jane Hutt. Gwnaethom ni hefyd drefnu cyfarfod o fudiadau gwirfoddol cenedlaethol gydag arweinwyr Byrddau Partneriaeth Rhanbarthol i drafod sut y gall mudiadau cenedlaethol wneud cyfraniad ar lefel ranbarthol

Buom yn gweithio fel rhan o Grŵp Cymdeithas Sifil y DU i sicrhau bod llais sector gwirfoddol Cymru yn cael ei glywed yn San Steffan ar bynciau fel Cyllideb y DU. Dechreuodd y grŵp hefyd brosiect gyda UK Finance i ddylunio offer ar gyfer gwneud penderfyniadau yngylch gwasanaethau bancio yn fwy tryloyw, ac mae'n cyfarfod yn rheolaidd â'r Comisiwn Elusennau i rannu materion sy'n wynebu'r sector

Gwnaethom ni sefydlu partneriaeth newydd gyda Macmillan Cancer Care i wella mynediad at wybodaeth a chyngor i bobl â chanser

Canolbwytio ar ein staff: Hybu gwirfoddolwyr mewn iechyd a gofal

Mae Judith Stone, Cyfarwyddwr Cynorthwyol Cymorth a Buddsoddi yn CGGC wedi bod yn rhan o waith pellgyrhaeddol ar rôl y sector gwirfoddol ym maes iechyd a gofal.

Yn 2022 dechreuwyd prosiect newydd, a ariannwyd gan Lywodraeth Cymru, gan adeiladu ar waith blaenorol i frocera cysylltiadau ym maes iechyd a gofal cymdeithasol, a'r effaith sylweddol a wnaed gan fudiadau gwirfoddol a gwirfoddolwyr yn ystod pandemig COVID-19.

Gwnaethom ymgysylltu'n helaeth â rhanddeiliaid i ddeall yr heriau sy'n wynebu'r sector gwirfoddol a gwirfoddolwyr ym maes iechyd a gofal cymdeithasol yng Nghymru a chydgynhyrchu gweledigaeth ar gyfer y gwahaniaeth rydym am ei wneud gyda'r prosiect hwn.

Cyhoeddwyd ffeithlun a dau bapur, a ysgrifennwyd ar y cyd â Chomisiwn Bevan, i godi ymwybyddiaeth o gyfraniad y sector gwirfoddol a gwirfoddolwyr i iechyd, gofal a lles. Yn lansiad Gwerth a gwerthoedd gwirfoddoli: ein hased cudd, dathlodd Judith Paget, Prif Weithredwr GIG Cymru, gyfraniad gwirfoddolwyr gan ddweud: 'Dydw i ddim yn credu bod wythnos yn mynd heibio lle nad ydw i mewn sgwrs â rhywun am werth gwirfoddoli yn y gorffennol, y presennol a'r dyfodol.'

Fe wnaethon ni hefyd gyfrannu at ystod o ffrydiau gwaith y llywodraeth a hwyluso cyfarfodydd rhwng y sector a'r Gweinidog Iechyd a Gwasanaethau Cymdeithasol. Ar gais y Gweinidog, fe wnaethom gyflwyno papur ar y strwythur a'r adnoddau sydd eu hangen ar wirfoddolwyr i gyflawni rolau gwirfoddoli ym maes iechyd a gofal cymdeithasol yn llwyddiannus.

Uchod: Mae Judith yn rhan o dîm yn CGGC sy'n canolbwytio ar iechyd a gofal ▲

Y gwahaniaeth a wnaethom

Cafodd gwaith CGGC ei grybwyl 82 o weithiau gan Llywodraeth Cymru yn 2022/23 - sef 13 gwaith mewn sesiynau llawn, 19 o weithiau mewn sesiynau pwylgorau, a 50 o weithiau ar draws gwahanol eitemau a chyhoeddiadau newyddion Llywodraeth Cymru

Buom yn siarad am faterion allweddol i fudiadau gwirfoddol gan ymddangos yn The Guardian, The Independent, BBC News a chyfryngau eraill. Gwnaethom barhau i eirioli dros y sector gwirfoddol yng Nghymru, yn enwedig codi ymwybyddiaeth ymhlið y wasg ar faterion yn ymwneud â'r diffyg cyllid newydd ar gyfer cronfeydd yr UE yng Nghymru

Bu Fforwm Cymdeithas Sifil Cymru, a gynhelir mewn partneriaeth â Phrifysgol Caerdydd, **yn cadeirio gwaith Llywodraeth Cymru ynghylch Bil Deddf Hawliau Llywodraeth y DU**. Bu hefyd yn gweithio mewn partneriaeth â Masnach Deg Cymru i dreialu gwaith cydlyn, rhwydweithio ac eiriolaeth i'r sector gwirfoddol ar bolisi masnach ôl-Brexit. Dywedodd un o swyddogion Llywodraeth Cymru: 'Mae'r rhwydwaith wedi ein galluogi i ymgysylltu â mudiadau a chymdeithasau sifil sydd wedi bod yn anodd ymgysylltu â nhw yn y gorffennol oherwydd nifer o resymau, sef diffyg capaciti a gwybodaeth o fewn y mudiadau hynny'

Roedd ein datħliadau 'Wythnos Elusennau Cymru' yn cynnwys seremoni Gwobrau Elusennau Cymru a arweiniodd at **enillwyr gwobrâu yn cael eu cynnwys ar newyddion gyda'r nos ar ITV Cymru ac ITV Cymru ar-lein**. Roedd hyn yn ddiolch i bartneriaeth gydag ITV Cymru Wales. Yn ystod Wythnos Elusennau Cymru hefyd cafodd sawl elusen gyfweliad ar y radio gan ymddangos mewn cyhoeddiadau cyfryngau lleol. Mae Wythnos Elusennau Cymru yn ymgyrch sy'n tynnu sylw at waith elusennau, mentrau cymdeithasol, mudiadau gwirfoddol a grwpiau cymunedol a gwirfoddol yng Nghymru

Cynhyrchodd y Grŵp Perchnogaeth Gymunedol ymateb i'r ymgynghoriad a **ddylanwadodd yn sylweddol ar ymchwiliad y Senedd i asedau cymunedol**, gan dynnu sylw at faterion allweddol ynghylch perchnogaeth gymunedol. Eleni fe wnaethom sefydlu'r grŵp, sef rhwydwaith traws-sector a gynlluniwyd i godi proffil cymunedau sy'n cynnal mannau cyhoeddus tra'n gwella'r broses trosglwyddo asedau cymunedol a galluogi prynu asedau preifat

Dde: Roedd Fferm Gymunedol Abertawe yn un o'r mudiadau a amlygwyd gennym fel rhan o Wythnos Elusennau Cymru ►

Canolbwytio ar ein staff: Cyfrannu at ymdrechion Wcráin Cymru

Gweithiodd Natalie Zhivkova, Rheolwr Polisi a Mewnwelediadau CGGC, gyda'r sector a phartneriaid allweddol eraill i sicrhau bod ffoaduriaid Wcráin yn cael eu hail-gartrefu a'u cefnogi'n gyflym ac yn garedig.

Bu'r newyddion am ymosodiad Wcráin a'r argyfwng dyngarol yn y wlad yn fraw i bawb ledled Cymru ac i lawer ohonom bu'n gymysgedd o awydd cryf i weithredu gydag ymdeimlad o anobaith. Beth allem ni ei wneud a sut gallem helpu o bell, filltiroedd i ffwrdd?

Rwy'n falch iawn o ddweud bod CGGC wedi cymryd rhan yn ymateb Cymru ar unwaith a gweithio'n gyflym i alluogi a chydlynu cefnogaeth i ffoaduriaid sy'n ffoi o'r gwrthdar. Buom yn gweithio'n agos gyda Llywodraeth Cymru, y Cyngorau Gwirfoddol Sirol, Cymdeithas Llywodraeth Leol Cymru (CLILC) ac awdurdodau lleol i greu cysylltiadau a galluogi mudiadau arbenigol i ddarparu cymorth roedd mawr ei angen.

Gyda'n gilydd, fe wnaethon ni gynhyrchu deunyddiau gyda'r nod o gynorthwyo ymdrechion mewn ardaloedd awdurdodau lleol, helpu i lunio'r cynnwys sydd ar gael ar **noddfa.llyw.cymru**, darparu diweddarriadau gan Lywodraeth Cymru i randdeiliaid, a sicrhau bod adborth o'r rheng flaen yn cael ei ystyried wrth ddatblygu polisiau.

Buom yn gweithio gyda phartneriaid i helpu i symleiddio prosesau cyfeirio, gwneud y defnydd gorau o gynigion o gymorth gan y cyhoedd, ac atal dyblygu gwasanaethau ar draws y sectorau cyhoeddus a gwirfoddol. Helpodd ein gwaith i gefnogi ffoaduriaid i symud allan o ganolfannau croeso a chymryd rhan mewn cyfleoedd gwirfoddoli i wella sgiliau a chynyddu annibyniaeth.

Ein nod

mae CGGC yn fwy gwydn

- Mae CGGC yn ariannol gynaliadwy
- Mae CGGC yn addasu'n gadarnhaol i newid
- Mae CGGC yn rhoi mwy o gefnogaeth i'w bobl

Beth wnaethom ni

Aethom drwy raglen newid uchelgeisiol i ailddylunio a datblygu'r mudiad i sicrhau ein bod yn y sefyllfa orau bosibl i gefnogi'r sector gwirfoddol yn y dyfodol. Rhan o hyn oedd pecyn cymorth i staff ddarparu cymaint o gymorth â phosibl yn ystod y cyfnod ansicr hwn

Yn 2022/23 **edrychom ni ar ein diwylliant fel mudiad**, gan rymuso ein staff i gymryd rhan yn y broses drwy ein grŵp hyrwyddwyr Cydraddoldeb, Amrywiaeth a Chynhwysiant. Gan weithio gyda chydweithwyr datblygwyd cyfres newydd o 'werthoedd ac ymddygiadau' a oedd yn gam sylweddol tuag at sicrhau bod ein diwylliant yn y gweithle yn gynhwysol, yn deg, ac yn cefnogi twf a datblygiad ein staff

◀ **Chwith:** Staff CGGC yn ein digwyddiad Diwrnod Rhyngwladol y Menywod gyda Sustrans Cymru a Chymdeithas Llywodraeth Leol Cymru (CLILC)

Cynhaliwyd etholiadau'r ymddiriedolwyr gyda'r broses enwebu a dethol yn gadarn yn nwyo ein haelodau. Roedd yr ymgyrch etholiadol eleni yn rhoi ffocws cryf ar sicrhau amrywiaeth ar fwrdd CGGC

Cafodd ein staff eu hannog i ddysgu sgiliau newydd a datblygu eu gyrfaedd. Bu tri o'n staff yn cymryd rhan mewn cyfleoedd secondiad gyda mudiadau eraill, gan ennill profiadau a gwybodaeth newydd i'w defnyddio yn eu rolau yn CGGC. Gwnaethom ni hefyd barhau â'n hymrwymiad i ddysgu a datblygu staff. Cofnododd ein staff 452 o wahanol achlysuron lle rodden nhw wedi cael mynediad at ddysgu ar bynciau fel 'Cyflwyniad i ddiogelu', ymwybyddiaeth o'r Gymraeg, a sgiliau digidol

Gwnaethom ni gomisiynu adroddiad annibynnol ar ein defnydd o'r Gymraeg. Bydd argymhellion yr adroddiad yn ein helpu i ddarparu ein gwasanaethau fel mudiad dwyieithog yn well a denu mwy o siaradwyr Cymraeg i ymuno â'n tîm staff

Canolwyntio ar ein hymddiriedolwyr: Rhaglen Newid CGGC

**Yn 2022/23 goruchwyliodd Reham Bassal a gweddill bwrdd
CGGC raglen newid helaeth i helpu'r mudiad i baratoi ar
gyfer y dyfodol.**

Ers i mi ddod yn ymddiriedolwr yn 2022, rhaglen newid CGGC fu prif ffocws y bwrdd, gan drawsnewid y mudiad i wasanaethu anghenion y sector gwirfoddol yng Nghymru yn well.

Gyda diwedd cyllid yr UE yng Nghymru, y newidiadau yn y ffordd rydym yn gweithio oherwydd y pandemig a'n cynllun strategol newydd ar gyfer 2022-27, roedd angen i CGGC drefnu ac edrych yn ein blaenau at baratoi ar gyfer y dyfodol.

Er mwyn parhau i ddarparu gwasanaethau a chynrychioli'r sector gwirfoddol yng Nghymru yn effeithiol, roedden ni'n cydnabod bod angen i ni ailfeddwl am ein strwythur fel mudiad a sut rydym yn gweithio. Er ei bod yn heriol, roedd angen sicrhau cynaliadwyedd ariannol hirdymor.

Rydym yn parhau i fod yn ymrwymedig i'n gwerthoedd a'n cenhadaeth o hybu arloesedd drwyddi draw, gan fanteisio i'r eithaf ar ein hadnoddau a'n heffaith, cefnogi ein pobl, a gyrru

amrywiaeth a chynhwysiant. Rydym wedi gweithio'n galed i sicrhau bod ein pobl yn parhau i fod wrth wraidd popeth a wnawn. Gwnaethom ni ymgynghori'n helaeth â'n staff gan ddefnyddio arferion gorau i sicrhau tegwch a thosturi.

Er bod heriau ynghlwm ag ailstrwythuro, rwy'n credu ei fod wedi cryfhau ein mudiad yn y pen draw a'n rhoi ar ben ffordd ar gyfer llwyddiant yn y blynnyddoedd i ddod. Rwy'n ddiolchgar am yr holl waith caled ac ymroddiad a ddangoswyd gan ein tîm drwy gydol y broses, ac rwy'n hyderus y byddwn yn parhau i ddylanwadu'n gadarnhaol ar y sector gwirfoddol.

Y gwahaniaeth a wnaethom

Mae ein rheolaeth ariannol ofalus wedi arwain at archwiliad interim **llwyddiannus** ar gyfer 2022/23. Derbyniodd ein Cronfa Cynhwysiant Gweithredol chwe archwiliad 'diamod' gan y Tîm Archwilio Cronfeydd Ewropeaidd (EFAT) eleni, sy'n golygu nad oedd unrhyw feisydd y gellid eu gwella arnynt.

Beth ddywedodd staff am weithio gyda'n Hyrwyddwyr Cydraddoldeb, Amrywiaeth a Chynhwysiant

‘Yn ystod y flwyddyn ddiwethaf, rydyn ni wedi cynnal asesiadau cydraddoldeb cynhwysfawr, yn enwedig yn ein rhaglen newid. Mae hyn wedi ein galluogi i feithrin dealltwriaeth ddyfnach o'n mudiad a sut y gallwn weithredu ein cynllun strategol yn effeithiol. Mae'r asesiadau hyn wedi ein galluogi i feithrin diwylliant mwy cynhwysol a theg yn y gweithle a sicrhau bod ein mudiad yn cyd-fynd â'n gwerthoedd a'n nodau.’

Samantha Carpenter, Swyddog Cydraddoldeb, Amrywiaeth, Cynhwysiant a Lles

Beth ddywedodd y staff am gyfleoedd secondiad

‘Roedd cael y cyfle i gael secondiad yn Llywodraeth Cymru wedi rhoi profiad a gwybodaeth i mi na allwn fod wedi'u hennill mewn unrhyw ffordd arall. Mae wedi fy ngalluogi i ddyfnhau fy ngwybodaeth o'r modd y mae Llywodraeth Cymru yn gweithio a deall sut y gallwn gefnogi'r sector i ymgysylltu â nhw'n fwy effeithiol. Mae'r profiad hwn wedi arwain at sicrhau dyrchafiad a datblygu fy llwybr gyrfaf hun ymhellach.’

Janine Downing, Pennaeth Partneriaethau a Pholisi CGGC

Canolwyntio ar ein staff: Datblygu ein gweithwyr

Mae rhaglen hyfforddi staff CGGC wedi cefnogi'r Swyddog Cefnogi Grantiau, Emma Manderson i ddatblygu ei defnydd o'r Gymraeg a datblygu ei gyrra.

Eleni, mynchais gwrs dwys 'Canolradd' dros yr haf a dalwyd gan CGGC ac fe wnaethon nhw gyfateb yr amser a dreuliais i, gan ganiatáu i mi gofnodi hanner yr wythnos breswyl fel amser gwaith.

Roeddwn i wedi bod yn dysgu Cymraeg o'r blaen, ond roedd fy nghymhelliant a'm cynnydd wedi arafu yn ystod y pandemig. Roedd y cwrs trochi wir wedi rhoi hwb i fy Nghymraeg, gan roi cyfle i mi ddefnyddio'r iaith drwy'r dydd ac atgyfnerthu fy nysgu.

Rhoddodd hyn yr hyder i mi gynrychioli CGGC ar ein stondin yn yr Eisteddfod Genedlaethol, gan gyfarch ymwelwyr a sgwrsio am ein gwaith yn Gymraeg, a mynd ymlaen i gofrestru ar gyfer cwrs Lefel Uwch wythnosol (mae CGGC hefyd yn talu amdano gyda chyfatebiad amser). Rhoddodd hyn oll y sgiliau

a'r hyder i mi ymgeisio am rôl 'Gymraeg hanfodol' fel Swyddog Cefnogi Cronfeydd Grantiau gyda CGGC y cefais fy mhenodi'n llwyddiannus iddi ym mis Mawrth.

Yn ystod yr ychydig flynyddoedd diwethaf rydw i wedi mynd o fod yn ddechreuw'r llwyr i fod yn ddigon rhugl i wneud y swydd hon, diolch i gefnogaeth CGGC.

'Diwedd cyfnod'

Cyllid Ewropeaidd yng Nghymru

Wrth i gyllid Ewropeaidd ddirwyn i ben, rydym wedi bod yn dathlu'r hyn a gyflawnwyd gan y sector gwirfoddol yng Nghymru tra'n gweithio'n galed i ddylanwadu ar y dirwedd ariannu yn y dyfodol.

Canolbwytio ar ein staff: Cefnogi'r sector ar ôl cyllid Ewropeaidd

Mae Matt Brown, Cyfarwyddwr Cyflawni a Datblygu CGGC, wedi bod yn arwain ar ein gwaith i ddylanwadu ar y dirwedd ariannu ar ôl diwedd Cronfeydd Strwythurol Ewropeaidd.

Mae cau Cronfeydd Strwythurol Ewropeaidd yng Nghymru yn ddiwedd cyfnod. Er bod ymdeimlad o dristwch am hyn, gallwn edrych yn ôl ar gyfnod lle mae mudiadau gwirfoddol wedi cael dylanwad enfawr ar ystod o faterion allweddol mewn cymdeithas.

Rydym yn falch ein bod, drwy CGGC a chyrff cymorth eraill, wedi gallu hwyluso'r cyllid hwn i fudiadau yn y sector gwirfoddol nad oes ganddynt y gallu na'r wybodaeth dechnegol i gael mynediad atynt yn draddodiadol.

Uchod: Sicrhodd Matt fod llais y sector gwirfoddol yn cael ei glywed mewn trafodaethau cyllid ar ôl yr UE ▲

Yn eu tro, mae'r mudiadau hyn wedi defnyddio eu gwybodaeth leol a'u harbenigedd penodol i wneud gwahaniaeth gwirioneddol yn y cymunedau sydd eu hangen.

Gall mudiadau gwirfoddol yng Nghymru edrych yn ôl ar rai llwyddiannau gwirioneddol ysbrydoledeg mewn meysydd fel gwella cyfleoedd cyflogaeth i'r rhai sydd bellaf o'r farchnad lafur a datblygu cynaliadwy.

Yn CGGC rydym hefyd yn edrych yn ôl yn falch o'n gwaith gyda Cwmpas, gan helpu busnesau cymdeithasol i dyfu. Ond rydym hyd yn oed yn fwy balch, trwy ein tîm Buddsoddi Cymdeithasol Cymru, fod buddsoddiad yr UE wedi dod yn ffynhonnell gyllid ailgylchadwy a fydd yn cael ei ailfuddsoddi yn y sector ymhell ar ôl cau cyllid Ewropeaidd.

Isod: Darparodd prosiect Cronfa Cynhwysiant Gweithredol Cyngor Pobl Fyddar Cymru gyfleoedd cyflogaeth â chymorth i bobl fyddar gyda Trafnidiaeth Cymru. Rheolir y Gronfa Cynhwysiant Gweithredol gan CGGC, gyda chymorth cyllid gan Gronfeydd Strwythurol a Buddsoddi Ewropeaidd. ▼

Dathlu llwyddiannau'r sector yng Nghymru

Yn yr adran hon ceir manylion ein cyfrifon a'n gweithgareddau ar gyfer blwyddyn ariannol 2022/23 gan gynnwys adroddiad blynnyddol yr Ymddiriedolwyr, adolygiad a datganiadau ariannol, adroddiad strategol y grŵp, gwybodaeth ynglŷn â'n haelodau, ac adroddiad yr archwilydd annibynnol.

Adroddiad blynnyddol yr ymddiriedolwyr 2022/23

Mae'r ymddiriedolwyr, sydd hefyd yn Gyfarwyddwyr at ddibenion y Ddeddf Cwmnïau, yn cyflwyno eu hadroddiad a datganiadau ariannol archwiliadig yr elusen ar gyfer y flwyddyn a ddaeth i ben ar 31 Mawrth 2023.

Strwythur, llywodraethu a rheoli

Dogfen lywodraethu

Mae Cyngor Gweithredu Gwirfoddol Cymru ('CGGC') yn gwmni cyfyngedig drwy warant ac yn elusen gofrestredig. Ei ddogfennau llywodraethu yw'r Memorandwm a'r Erthyglau Cymdeithasu dyddiedig 9 Rhagfyr 1946, a ddiwygiwyd ddiwethaf ym mis Tachwedd 2016.

Recriwtio a phenodi ymddiriedolwyr

Mae erthyglau cymdeithasu CGGC yn darparu ar gyfer bwrdd sy'n cynnwys dim

llai na chwech a dim mwy nag un-ar-bymtheg o ymddiriedolwyr. Caiff hyd at ddeuddeg o ymddiriedolwyr bwrdd CGGC eu hethol gan aelodau mewn Cyfarfod Cyffredinol Blynnyddol a chaiff hyd at bedwar aelod eu penodi gan bwrdd CGGC. Bydd ymddiriedolwyr yn ymadael yn ôl trefn gylchdro, sef y rhai sydd wedi gwasanaethu am dair blynedd yn ddi-dor ar ôl cael eu hethol neu eu hailethol. Bydd ymddiriedolwr sy'n ymddeol yn gymwys i gael ei ailethol am dymor pellach o dair blynedd ac ni chaiff yr un ymddiriedolwr fod yn y swydd am fwy na naw mlynedd yn olynol. Gall bwrdd CGGC gyfethol unrhyw un ar unrhyw adeg i lenwi swydd wag dros dro sy'n codi ar fwrdd CGGC. Yn dilyn ein proses ethol ymddiriedolwyr eleni ac etholiad ein haelodau ar gyfer y pum sedd wag ar y bwrdd, cymeradwyodd ein haelodau benodiad tri ymddiriedolwr newydd ac ailbenodi dau ymddiriedolwr presennol.

Croeso i'n Cadeirydd newydd

Cafodd Dr Neil Wooding CBE ei groesawu'n ffurfiol fel Cadeirydd yn ein Cyfarfod Cyffredinol Blynnyddol (AGM) ym mis Tachwedd 2022 gan gymryd yr awenau gan Peter Davies CBE. Ymunodd Neil â'r bwrdd ym mis Chwefror 2022 fel Darpar Gadeirydd yn dilyn proses recriwtio drwyndl a thryloyw.

Mae Neil wedi ymgymryd â nifer o rolau gwirfoddol ar hyd ei yrfa. Ei feysydd arbenigol yw datblygu pobl, newid sefydliadol ac amrywiaeth ddynol.

Cynefino a hyfforddi ymddiriedolwyr

Mae ymddiriedolwyr newydd yn mynchu sesiwn gynefino ac yn cael llawlyfr cynhwysfawr i ymddiriedolwyr sy'n rhoi rhagor o wybodaeth am eu rôl a'u cyfrifoldebau. Caiff ymddiriedolwyr fynediad at adnoddau ar-lein i'w cefnogi yn eu rôl a darperir hyfforddiant mewnol

sy'n ymdrin â meysydd llywodraethu allweddol yn ôl yr angen.

Yn ystod 2022/23, cynhaliwyd nifer o sesiynau canolbwytiedig ar gyfer ymddiriedolwyr, gan gynnwys hyfforddiant diweddaru ar ddiogelu, yn ogystal â diweddariadau ar wahanol ragleni gwaith.

Rheoli risg

Mae Is-Bwyllgor Archwilio a Risg CGGC wedi cymeradwyo cofrestr risg gynhwysfawr y mae'n ei hadolygu'n gyson. Mae'r gofrestr risg yn nodi risgau posibl, yn disgrifio'r camau y mae angen eu cymryd i leihau neu osgoi pob risg, pwy sy'n gyfrifol am gymryd y camau, a'r dyddiadau targed. Mae Cadeirydd yr Is-Bwyllgor Archwilio a Risg yn adrodd i'r Bwrdd er mwyn sicrhau bod pob un o'r ymddiriedolwyr yn cael yr wybodaeth ddiweddaraf.

Swyddi Anrhydeddus

Mae gan CGGC bedair swydd anrhydeddus, ac mae'n falch o gael cymorth pobl â diddordeb a phrofiad helaeth yn y sector gwirfoddol.

Mae Llywydd anrhydeddus CGGC, Michael

Sheen yn hyrwyddo CGGC a'r sector bob cyfle a gaiff. Rydym wrth ein boddau fod Peter Davies CBE, y cyn-Gadeirydd, wedi derbyn y rôl o fod yn drydydd Is-lywydd i ni pan gamodd i lawr o'r Bwrdd ym mis Tachwedd 2022. Mae Peter wedi bod yn gefnogwr brwd o'r sector gwirfoddol, ac o ddatblygu cynaliadwy yn benodol, drwy gydol ei yrfa.

Mae Is-lywydd CGGC, Tom Jones OBE yn gweithio i gynnal a datblygu cysylltiadau cymdeithas sifil ledled Cymru, y DU ac Ewrop. Mae Is-lywydd CGGC, Margaret Thorne CBE DL yn parhau i gefnogi gwaith CCGC gyda phartneriaid lleol.

Strwythur y mudiad

Aelod-fudiad yw CGGC. Mae'r aelodaeth ar agor i elusennau, grwpiau gwirfoddol, grwpiau cymunedol a mentrau cymdeithasol sy'n gweithio yng Nghymru. Mae gan bob aelod hawliau pleidleisio. Caiff aelodau eu hannog yn weithredol i lunio ein gwaith a chysylltu â rhwydwaith cyfoethog o bobl o'r un meddylfryd sydd â'r un weledigaeth.

Mae dau is-bwyllgor yn cynorthwyo'r bwrdd i gyflawni ei rôl: Pwyllgor Archwilio a Risg CGGC a Phwyllgor Cyllid CGGC. Cefnogir y bwrdd hefyd gan nifer o

baneli ymgynghori ariannol. Mae'r bwrdd yn gyfrifol am gymeradwyo a monitro'r cynlluniau strategol a gweithredol sy'n ganolbwyt ac yn sail i waith CGGC. Yn ystod y flwyddyn, gwnaethom ailstrwythuro er mwyn sicrhau cynaliadwyedd ein rôl i gefnogi'r sector gwirfoddol a chymunedol yn y dyfodol.

Partïon cysylltiedig

Yn ystod 2010/11 sefydlodd yr elusen grŵp drwy gorffori dau is-gwmni perchnogaeth Iwyr, Social Investment (Cymru) Ltd (a ailenwyd o WCVA Investments Ltd ar 24 Hydref 2014) at ddibenion sefydlu cronfa fenthyciadau, a WCVA Services Ltd at ddibenion gweinyddu gwasanaethau benthyca.

Mae Social Investment (Cymru) Ltd yn darparu buddsoddiad cymdeithasol ar gyfer ac ar ran y sector gwirfoddol yng Nghymru. Bydd yr is-gwmni hwn yn cael ei wneud yn segur yn ystod 2023/24 a bydd ei holl weithgarwch yn cael ei drosglwyddo i CGGC. Bydd Pwyllgor Buddsoddi Cymdeithasol yn cael ei sefydlu i gynorthwyo Bwrdd CGGC â'i ddyletswydd i gadw llygad ar gyfeiriad gweithgareddau cyllid ad-daladwy CGGC. Yn dilyn cwblhad prosiect blaenorol

a gyllidwyd gan Ewrop, mae WCVA Services Limited bellach yn segur.

Cafodd trydydd is-gwmni, WCVA Trading Limited, ei gorffori yn ystod 2011/12; nid yw'r cwmni hwn yn weithredol ar hyn o bryd.

Gwnaeth ein pedwerydd is-gwmni, Cynnal Cymru - Sustain Wales (Cynnal Cymru) ymuno â grŵp CGGC ar 1 Ebrill 2018. Cynnal Cymru yw'r elusen genedlaethol dros ddatblygu cynaliadwy yng Nghymru. Mae Cynnal Cymru hefyd yn gwmni preifat cyfyngedig drwy warant. Mae Cynnal Cymru yn credu y gall pob mudiad gymryd camau i ymateb i heriau byd-eang mewn ffyrdd sydd o fudd iddyn nhw ac i'r bobl o'u cwmpas. Boed hynny'n talu'r Cyflog Byw Gwirionedd fel y gall gweithwyr fyw ac nid bodoli yn unig, ail-lunio arferion busnes er mwyn gwneud cyn lleied â phosibl o niwed i'r amgylchedd, neu ymgysylltu â chyflogion, cadwynau cyflenwi a chwsmeriaid i leihau'r allyriadau nwyon tŷ gwydr – maen nhw'n credu bod codi uchelgeisiau yn fuddiol i fudiadau yng Nghymru a thu hwnt, nawr ac yn y dyfodol.

Yn ystod 2022/23, rydym wedi gweithio gyda'n gilydd i hyrwyddo datblygu cynaliadwy a gwaith teg ar draws nifer

o feysydd polisi a phroiectau gyda phartneriaid o'r sector cyhoeddus, y sector preifat a'r sector gwirfoddol.

Mae grantiau a chontractau caffael a ddyfarnwyd i gyrrf lle mae gan yr ymddiriedolwyr naill ai reolaeth uniongyrchol neu ddylanwad sylweddol wedi'u datgelu o fewn nodyn 8 y cyfrifon.

Mae aelodaeth yn agored i unrhyw elusennau, grwpiau gwirfoddol neu fentrau cymdeithasol sydd ar waith yng Nghymru. Mae ein cynnig aelodaeth, a lansiwyd ym mis Medi 2021, wedi parhau i gael derbyniad da gyda'r system wefan newydd ar gyfer aelodaeth yn gweithio'n dda ar gyfer adnewyddu a cheisiadau aelodaeth newydd. Gwnaethom gyflwyno nifer o ddigwyddiadau yn arbennig ar gyfer aelodau yn ystod 2022/23 gan gynnwys ein Cyfarfod Cyffredinol Blynnyddol a digwyddiad Diwrnod Rhyngwladol y Menywod. Fe wnaethom hefyd ymgysylltu ag aelodau ar yr argyfwng costau byw drwy gasglu a dadansoddi adborth ar heriau allweddol a threfnu sesiynau rhithwir pwrpasol i fynd i'r afael â'r heriau hyn.

Aelodaeth

Adolygiad ariannol 2022/23

Yn ystod y flwyddyn, gwnaeth CGGC gynhyrchu cyfanswm incwm gweithredu o £35 miliwn. Prif ffynonellau cyllido'r elusen yw cyllid grant a benthyriad gan Lywodraeth Cymru, Ewrop, Comic Relief a chyllidwyr eraill i gefnogi ei weithgareddau craidd, gwaith prosiect penodol a chymorth parhaus i'r sector gwirfoddol. Caiff cyllid uniongyrchol hefyd ei gynhyrchu drwy ddarparu gwasanaethau a gweithgareddau ar gyfer ei aelodau, gan gynnwys hyfforddiant, cyhoeddiadau a chynadreddau.

Rhennir yr incwm hwn, ynghyd â'r gwariant yr eir iddo, rhwng gweithgareddau anghyfyngedig a chyfyngedig. Mae'r tabl canlynol yn rhoi dadansoddiad pellach o berformiad ariannol yr elusen er mwyn helpu i roi darlun clir o'r sefyllfa'n ymarferol. Cefnogir hyn ymhellach gan y naratif isod:

*Mae swm o £130,000 o'r addasiad pensiwn o fewn incwm arall ar hyn o bryd (£50 mil) ac yn gwrthbwys o costau'r cyflogau (£80 mil).

Gweithgarwch anghyfynegedig

Mae'r enillion gweithredu net o £670 mil a adroddir ar weithgarwch anghyfynegedig yn cynnwys yr addasiad pensiwn uchod o £130 mil.

Cyfanswm y cyllid anghyfynegedig a gariwyd ymlaen ar 31 Mawrth 2023 oedd £8.5 miliwn. O hyn, mae'r Bwrdd wedi dynodi £3.10 miliwn ar gyfer cronfa eiddo, costau pontio'r cynllun pensiwn, y costau a ragwelir o gau prosiectau Ewropeaidd, costau i gefnogi datblygiad a chynaliadwyedd parhaus yr elusen a chostau dylunio cam 2 y datblygiad sefydliadol, sy'n gadael cronfeydd cyffredinol anghyfynegedig o £5.4 mil. Nid yw'r cronfeydd hyn yn cynnwys rhwymedigaeth nac ased pensiwn, oherwydd gall CGGC ddim ond cydnabod swm y gellir ei adennill. Mae strategaeth ariannol bwyllog a gofalus yn cael ei dilyn i sicrhau bod cronfeydd anghyfynegedig yr elusen yn cael eu diogelu i gefnogi cynaliadwyedd parhaus y mudiad – ac mae rheoli'r cronfeydd rhydd yn erbyn symudiad y Cynllun Pensiwn Llywodraeth Leol (LGPS) yn her.

Gweithgarwch cyfyngedig

Mae'r holl brosiectau cyfyngedig yn cael eu cyllido'n llawn. Mae'r symudiad cadarnhaol o £1.1 miliwn yn cynrychioli'r symudiad net yn y flwyddyn yn erbyn y cronfeydd sydd gan CGGC ar weithgarwch benthyciadau o ran CIF 1, CIF 2, Asda a chynlluniau benthyciadau Gwydnwch. Mae'r prif gynnydd y flwyddyn hon wedi dod yn sgil rhyddhau swm sylweddol o incwm i gronfeydd cyfyngedig mewn perthynas ag ad-dalu benthyciadau o fewn y cynllun benthyciadau Gwydnwch. Cyfanswm y cronfeydd cyfyngedig a gariwyd ymlaen ar 31 Mawrth 2023 oedd £6.5 miliwn, sy'n cynrychioli arian a dyledion heb eu talu ar gyllid a ddyfarnwyd gan gynlluniau benthyc a amrywiol, net unrhyw ddarpariaethau ar gyfer dyled goll. Yn unol â strategaeth ariannol CGGC, mae gwariant ar bob prosiect cyfredol yn cael ei fonitro a'i reoli'n ofalus er mwyn sicrhau nad oes colledion yn codi ar weithgarwch cyfyngedig sy'n cael ei gyllido'n llawn.

Gwirfoddolwyr

Yn ogystal â'i ymddiriedolwyr gwirfoddol, mae 84 o unigolion a chanddynt sgiliau a phrofiad perthnasol yn gwasanaethu fel aelodau gwirfoddol o'r byrddau prosiect a'r panel benthyciadau ac yn cynorthwyo CGGC drwy ddarparu arbenigedd ar wahanol gynlluniau grant neu gynllunio gwahanol agweddu ar ei waith.

Polisi grantiau a chyllido

Mae'r ymddiriedolwyr yn hysbysebu pob cynllun grant a chyllido ac yn gwahodd ceisiadau gan fudiadau cymwys. Caiff ceisiadau eu hasesu yn erbyn mein prawf penodol ac argymhellion a wneir gan y byrddau prosiect a'r panel benthyciadau, a benodir gan y bwrdd a'u cadeirio gan aelodau bwrdd, gan gyflwyno trawstoriad eang o arbenigedd. Cedwir at godau ymddygiad llym, gan gynnwys cofrestru buddiannau. Cyhoeddir yr holl ddyfarniadau'n gyhoeddus.

Polisi buddsoddi

Mae'r ymddiriedolwyr yn buddsoddi'n bennaf mewn adneuon banc y farchnad arian, ond hefyd mewn rhai buddsoddiadau llog sefydlog, gyda'r nod o sicrhau enillion rhesymol gyda chyn lleied â phosibl o risg.

Polisi cronfeydd

Mae'r ymddiriedolwyr wedi gosod polisi sy'n ei gwneud yn ofynnol i gronfeydd gael eu cadw ar lefel sy'n sicrhau y gall gweithgarwch craidd CGGC barhau pe bai cyllidwr mawr yn lleihau ei gyllid neu'n ei dynnu'n ôl, a bod cyfran o'r cronfeydd ar gael ar ffurf y gellir cael gafael arnynt yn hawdd. Mae'r ymddiriedolwyr yn ystyried mai cronfeydd y gellid eu gwreddu'n rhwydd yw'r symiau y gellid eu troi'n arian parod yn hawdd pe bai angen gwneud hynny. Yn ôl yr ymddiriedolwyr, cronfeydd y gellir cael gafael arnynt yn hawdd yw'r swm o gyllid y gellir ei droi'n arian parod yn hawdd pe bai'r angen yn codi. Mae cyfrifo lefel ofynnol y cronfeydd yn rhan annatod o gylchred gynllunio, cyllidebu a rhagweld CGGC.

Mae'n ystyried y risgiau sy'n gysylltiedig â phob ffrwd incwm a gwariant yn wahanol i'r swm a neilltuwyd; lefel y gweithgarwch arfaethedig; ac ymrwymiadau CGGC.

Mae'r ymddiriedolwyr yn asesu ac yn adolygu'r polisi cronfeydd yn ystod y flwyddyn. Maen nhw'n trafod y cronfeydd y gellir eu troi'n arian parod yn hawdd, ymrwymiadau CGGC a gwerth buddsoddiadau ar y farchnad. Caiff y prif risgiau i'r incwm a gwariant eu hamlygu a chyfrifir canlyniadau ariannol posibl symudiadau niweidiol. Mae'r ymddiriedolwyr yn defnyddio'r wybodaeth hon i sicrhau y cedwir lefel ddigonol o gronfeydd y gellir eu troi'n arian parod yn hawdd. Mae gan yr ymddiriedolwyr gronfeydd anghyfyngedig dynodedig, gwerth cyfanswm o £3.1 miliwn, y disgwyli'r iddynt gael eu rhyddhau yn ystod y tair i bum mlynedd nesaf.

Gellir gweld manylion y cronfeydd anghyfyngedig sydd gan yr elusen yn nodyn 17 y cyfrifon.

Yr ymddiriedolwyr a chyngorwyr yr elusen

Gellir dod o hyd i wybodaeth am yr ymddiriedolwyr a'r cyngorwyr eraill a wasanaethodd yr elusen yn ystod y cyfnod hwn, ynghyd â manylion gweinyddol eraill ynghylch yr elusen, ar dudalen 32 yr Adroddiad Blynnyddol uchod.

Cyfrifoldebau'r ymddiriedolwyr

Mae'r ymddiriedolwyr yn gyfrifol am barato'i'r Adroddiad Blynnyddol a'r datganiadau ariannol yn unol â'r gyfraith berthnasol a Safonau Cyfrifyddu'r Deyrnas Unedig (Arferion Cyfrifyddu a Dderbynir yn Gyffredinol yn y Deyrnas Unedig).

Mae'r gyfraith cwmniau yn gofyn i ymddiriedolwyr baratoi datganiadau ariannol ar gyfer pob blwyddyn ariannol sy'n rhoi darlun teg a chywir o sefyllfa'r elusen a'r adnoddau sy'n dod i mewn ac yn mynd allan yn ystod y cyfnod hwnnw.

Wrth baratoi'r datganiadau ariannol hyn, mae angen i'r ymddiriedolwyr wneud y canlynol:

- Dewis polisiau cyfrifyddu addas a'u rhoi ar waith yn gyson
- Llunio barn ac amcangyfrifon sy'n rhesymol ac yn ddarbodus
- Datgan a ddilynwyd y safonau cyfrifyddu perthnasol, yn unol ag unrhyw amrywiadau perthnasol sydd wedi'u datgelu a'u hesbonio yn y datganiadau ariannol
- Paratoi'r datganiadau ariannol ar sail busnes hyfyw, oni bai ei fod yn amhriodol rhagdybio y bydd yr elusen yn parhau ar y sail honno

Mae'r ymddiriedolwyr yn gyfrifol am gadw cofnodion cyfrifyddu priodol sy'n datgelu'n rhesymol gywir ar unrhyw adeg beth yw sefyllfa ariannol yr elusen ac a fydd yn eu galluogi i sicrhau bod y datganiadau ariannol yn cydymffurfio â Deddf Cwmnïau 2006.

Mae'r ymddiriedolwyr hefyd yn gyfrifol am ddiogelu asedau'r elusen ac felly, am gymryd camau rhesymol i atal a chanfod twyll a mathau eraill o afreoleidd-dra.

Hyd y gŵyr yr ymddiriedolwyr:

- Nid oes gwybodaeth archwilio berthnasol nad yw archwilwyr y cwmni yn ymwybodol ohoni; ac
- Mae'r ymddiriedolwyr wedi cymryd yr holl gamau y dylent fod wedi eu cymryd i wneud eu hunain yn ymwybodol o unrhyw wybodaeth archwilio berthnasol ac i sicrhau bod yr archwilwyr yn ymwybodol o'r wybodaeth honno.

Mae'r ymddiriedolwyr yn gyfrifol am gynnal yr wybodaeth gorfforaethol ac ariannol sydd ar wefan yr elusen ac am uniondeb yr wybodaeth honno. Gall deddfwriaeth yn y Deyrnas Unedig sy'n ymwneud â pharatoi a lledaenu datganiadau ariannol fod yn wahanol i ddeddfwriaeth mewn awdurdodaethau eraill.

Archwilydd

Cyflwynwyd penderfyniad yng Nghymru penodi'r archwilwyr, Bevan Buckland LLP, i'r aelodau yn ystod Cyfarfod Cyffredinol Blynnyddol 2019, yn unol ag adran 384 Deddf Cwmnïau 2006. Roedd y penodiad am gyfnod o dair blynedd gydag opsiwn i'w ymestyn am ddwy flynedd bellach. Cyflwynwyd penderfyniad i ymestyn y penodiad presennol am ddwy flynedd bellach i'r aelodau yn ystod Cyfarfod Cyffredinol Blynnyddol 2022.

Gwybodaeth Gyffredinol

Mae Cyngor Gweithredu Gwirfoddol Cymru yn gwmni cyfyngedig trwy warant ac yn elusen gofrestredig wedi'i hymgorffori yn y Deyrnas Unedig. Cyfeiriad y swyddfa gofrestredig yw Un Rhodfa'r Gamlas, Heol Dumballs, Caerdydd, CF10 5BF

Nod yr elusen yw cyflwyno gwybodaeth, hyfforddiant a chyngor i gefnogi gwirfoddoli, llywodraethu, cyllido a diogelu; a hyrwyddo a chefnogi cyfraniad y trydydd sector at feisydd polisi pwysig.

Mae'r datganiadau ariannol yn cael eu paratoi mewn sterling, sef arian swyddogol y grŵp, a'i dalgrynnu i'r £1 agosaf.

1. Polisiau cyfrifyddu

Dyma'r prif bolisiau cyfrifyddu a fabwysiadwyd, y dyfarniadau a'r prif ffynonellau o ansicrwydd amcangyfrif wrth barato'i'r datganiadau ariannol:

Sail paratoi

Paratowyd y cyfrifon ar sail busnes gweithredol o dan y confensiwn cost hanesyddol, fel y'i haddaswyd trwy gynnwys buddsoddiadau asedau sefydlog ar werth y farchnad. Mae'r Ymddiriedolwyr o'r farn nad oes unrhyw ansicrwydd perthnasol sy'n galw amheuaeth yngylch gallu Cyngor Gweithredu Gwirfoddol Cymru i barhau fel busnes gweithredol.

Paratowyd y datganiadau ariannol yn unol â'r Datganiad o Arferion a Argymhellir "Cyfrifyddu ac Adrodd gan Elusennau" (Elusennau SORP FRS102) a Deddf Cwmnïau 2006, ac yn unol â'r safonau cyfrifyddu perthnasol, gan gynnwys Safon Adrodd Ariannol 102 (y DU a Gweriniaeth Iwerddon).

Mae paratoi datganiadau ariannol yn unol â FRS 102 yn mynnu defnyddio amcangyfrifon cyfrifyddu critigol penodol. Mae hefyd yn mynnu bod rheolwyr yn arfer eu barn wrth gymhwysu polisiau cyfrifyddu'r Cwmni (gweler nodyn 2).

Sail cyfuno

Mae'r datganiadau ariannol cyfunol yn ymgorffori datganiadau ariannol yr Elusen a holl ymgynheriadau'r grŵp. Gan fod Datganiad cyfunol o Weithgareddau Ariannol a chyfrif incwm a gwariant yn cael ei gyhoeddi, mae Datganiad ar wahân o Weithgareddau Ariannol y rhiant-gwmni yn cael ei hepgor o ddatganiadau ariannol y grŵp drwy rinwedd adran 408 o Ddeddf Cwmnïau 2006.

Busnes Gweithredol

Mae'r grŵp a'r elusen yn bodloni eu gofynion cyfalaf gwaith dyddiol drwy eu cyfleusterau banc. Mae'r cyflyrau economaidd cyfredol yn parhau i greu ansicrwydd. Mae'r cyfarwyddwyr wedi ystyried sefyllfa fasnachu'r cwmni at y dyfodol, ac yn seiliedig ar ganlyniadau masnachu gwirioneddol ers diwedd y flwyddyn, maent yn hyderus bod modd defnyddio'r egwyddor busnes gweithredol mewn perthynas â'r datganiadau ariannol.

Rhoddion neu adhoddau eraill sy'n dod i mewn a geir neu a gynhyrchir i'w gwario ar amcanion cyffredinol yr elusen yw croneydd anghyfyngedig.

Mae croneydd dynodedig yn gronfeydd anghyfyngedig sydd wedi'u dynodi at ddibenion penodol gan yr Ymddiriedolwyr, ar gyfer gwaith angenreidiol mewn cysylltiad â darparu gwasanaethau yn barhaus, ond sy'n methu â bodloni meinu prawf llym y rhwymedigaeth contractiol a osodir yn FRS102.

WEDI'U DIFFINIO

Mae'r Grŵp a'r cwmni elusennol yn gweithredu cynlluniau pensiwn â chyfraniadau wedi'u diffinio ar gyfer cyflogeion. Cynllun â chyfraniadau wedi'u diffinio yw cynllun pensiwn lle mae'r Grŵp yn talu cyfraniadau sefydlog i mewn i gynllun y mae ei asedau wedi'u cadw ar wahân mewn cronfeydd a weinyddir yn annibynnol. Caiff y cyfraniadau taladwy blynnyddol eu codi ar y datganiad o weithgareddau ariannol.

CYNLLUN PENSIWN Â BUDDION WEDI'U DIFFINIO

Caiff asedau cynllun eu mesur ar werth teg. Caiff rhwymedigaethau cynllun eu mesur ar sail actwaraidd gan ddefnyddio'r dull credyd uned rhagamcanol a'u gostwng ar gyfraddau bond safon uchel priodol. Cyflwynir y gwarged neu ddifyg net ar wahân i asedau net eraill ar y fantolen. Caiff gwarged net dim ond ei gydnabod i'r graddau y mae'n adenilladwy, naill ai trwy lai o gyfraniadau i'r cynllun neu drwy ad-daliad ariannol o'r cynllun.

Codir costau gwasanaeth cyfredol a chostau o setliadau a chwtogiadau yn erbyn yr elw gweithredu. Cydnabyddir y llog ar rwymedigaethau'r cynllun a'r llog ar asedau'r cynllun yn yr adran elw neu golled. Adroddir enillion ar asedau cynllun (heb gynnwys incwm llog) ac enillion a cholledion actwaraidd yn y datganiad cyfunol o incwm cynhwysfawr.

ASEDAU AR BRYDLES

Mae'r Grŵp yn asesu cytundebau sy'n trosglwyddo'r hawl i ddefnyddio asedau ar y dechrau. Mae'r asesiad yn ystyried a yw'r trefniant yn brydles, neu'n cynnwys prydles, sy'n seiliedig ar sylwedd y trefniant.

ASEDAU LES CYLLID

Caiff prydlesi asedau sy'n sylweddol drosglwyddo'r holl risgiau a buddion o ganlyniad i berchenogaeth eu galw yn brydlesi cyllid.

Mae prydlesi cyllid yn cael eu cyfalafu ar ddechrau'r brydles fel asedau ar werth teg yr asedau ar brydles neu, os yw hynny'n is, gwerth presennol y taliadau prydles lleiaf a gyfrifir gan ddefnyddio'r gyfradd llog sydd ymhlyg yn y brydles. Pan na ellir pennu'r gyfradd sydd ymhlyg, defnyddir cyfradd fenthyc a gynyddrannol y Grŵp. Mae costau gynyddrannol uniongyrchol, sy'n codi wrth negodi a threfnu'r brydles, wedi'u cynnwys yng nghost yr ased.

Caiff asedau eu dibrisio dros gyfnod byrrach y les a thros fywyd defnyddiol tybiedig yr ased. Caiff asedau eu hasesu am amhariad ar bob dyddiad adrodd.

Cofnodir elfen gyfalaf rhwymedigaethau prydles fel rhwymedigaeth ar ddechrau'r cytundeb. Caiff taliadau prydles eu rhannu rhwng ad-daliad cyfalaf a thâl cyllid, gan ddefnyddio'r dull cyfradd llog effeithiol, i gynhyrchu cyfradd tâl gyson ar falans yr ad-daliadau cyfalaf heb eu casglu.

ASEDAU GWEITHREDU AR BRYDLES

Cyfeirir at brydlesi nad ydynt yn trosglwyddo holl risgiau a buddion perchenogaeth fel prydlesi gweithredu. Caiff taliadau o dan brydlesi gweithredu eu codi ar y cyfrif elw a cholled ar sail llinell syth dros gyfnod y brydles.

CYMHELLION PRYDLES

Mae cymhellion a dderbynnyr i rwymo i brydles gyllid yn lleihau gwerth teg yr ased a chânt eu cynnwys yn y cyfrifiad ar gyfer gwerth presennol taliadau prydles lleiaf.

Caiff cymhellion a dderbynnyr i rwymo i brydles weithredu eu credydu i'r cyfrif elw a cholled, i leihau costau, ar sail llinell syth dros gyfnod y brydles.

2. Dyfarniadau wrth gymhwys o polisiau cyfrifydd a'r prif ffynonellau o ansicrwydd wrth amcangyfrif

I barato'i'r datganiadau ariannol, mae angen i reolwyr wneud rhagamcanion a rhagdybiaethau sy'n effeithio ar y symiau a adroddir ar gyfer asedau a rhwymedigaethau ac asedau a rhwymedigaethau wrth gefn a ddatgelir ar ddyddiad y datganiadau ariannol a'r symiau a adroddir ar gyfer incwm a gwariant yn ystod y cyfnod adrodd. Gall canlyniadau gwirioneddol fod yn wahanol i'r amcangyfrifon hynny.

Ym marn y cyfarwyddwr, dyma'r dyfarniadau beirniadol sydd wedi cael yr effaith fwyaf arwyddocaol ar y symiau a gydnabyddir yn natganiadau ariannol y Grŵp:

MAE'R DYFARNIADAU ALLWEDDOL A WNAED GAN REOLWYR YN YMWNEUD Â'R CANLYNOL:

1. Y gallu i adennill o ddyledwyr, a digonolrwydd y ddarpariaeth ar gyfer dyledion drwg.
2. Amcangyfrif bywydau defnyddiol a gwerth gweddilliol asedau sefydlog, er mwyn cyfrifo dibrisiant a godir.
3. Y cynllun pensiwn â buddion wedi'u diffinio - Mae'r rheolwyr wedi ystyried yn ofalus i ba raddau y dylai ased pensiwn gael ei gydnabod o dan y safonau cyfrifyddu, sy'n gofyn i endid gyfyngu'r mesuriad o ased net â budd diffiniedig i'r gwarged isaf yn y cynllun â buddion wedi'u diffinio a therfyn uchaf yr ased, a ddiffinnir fel gwerth presennol y buddion economaidd sydd ar gael ar ffurf ad-daliadau o'r cynllun neu ostyngiadau i gyfraniadau yn y dyfodol. O dan IFRIC 14, mae ad-daliad ar gael i endid os oes gan yr endid hawl ddiamond i gael ad-daliad. Mae'r rheolwyr wedi cael cyngor i ddeall yr amgylchiadau lle na all unrhyw asedau gwarged gael eu had-dalu i Gyngor Gweithredu Gwirfoddol Cymru (CGGC) ac wedi dod i'r canlyniad nad oes gan CGGC yr hawl ddiamond i gael ad-daliad, felly mae'r gydnabyddiaeth o'r ased pensiwn wedi ei chyfyngu i £dim yn unol â'r safonau cyfrifyddu perthnasol.

DIBEN CRONFEYDD DYNODEDIG

EIDDO DYNODEDIG

Mae'r gronfa eiddo wrth gefn hon yn cynnwys yr arian net a dderbyniwyd yn sgil gwerthu tri eiddo. Bydd y gronfa wrth gefn yn cael ei defnyddio i gynhyrchu incwm buddsoddi drwy bortffolio a reolir gan y gronfa yn dechrau yn 2023/24.

GWARIANT DATBLYGU BUSNES DYNODEDIG

Cafodd y gronfa wrth gefn ar gyfer gwariant datblygu busnes ei sefydlu am ei fod yn bwysig bod yr elusen yn cael cymaint â phosibl o incwm ac yn lleihau gwariant cyffredinol lle'n bosibl. Felly, mae datblygu ffrydiau incwm newydd, cryfhau'r rhai sy'n bodoli eisoes a gwella effeithlonrwydd yn flaenorriaeth. Er bod rhywfaint o weithgarwch wedi'i gynnwys o fewn y gyllideb flynyddol, mae'n ddefnyddiol cadw crionfa wrth gefn ddynodedig i'r diben hwn er mwyn gallu talu costau mentrau mwy o faint neu fentrau mwy hirdymor. Gall y costau hyn gynnwys gwaith ymchwil yn ogystal â datblygu a gweithredu cynlluniau a fydd yn cyfoethogi ac yn gwella cynaliadwyedd cyffredinol CGGC â'r sector wirfoddol.

COSTAU CAU/DISWYDDO EWROPEAIDD DYNODEDIG

Mae'r gronfa wrth gefn ar gyfer costau cau a diswyddo Ewropeaidd dynodedig wedi'i sefydlu er mwyn sicrhau bod digon o gyllid ar gael pan fydd y prosiectau a gyllidir gan yr UE yn dod i ben yn 2023. Maent yn cynnwys y rhwymedigaethau diswyddo a phensiwn a ragwelir ar yr adeg honno, ynghyd â hyfforddiant i gyflogion a fydd yn cael eu heffeithio pan ddaw'r prosiect i ben.

PONTIO I'R LGPS (Y CYNLLUN PENSIWN LLYWODRAETH LEOL)

Mae'r gronfa pontio i'r LGPS ddynodedig wedi'i sefydlu i sicrhau bod digon o gyllid ar gael tra bod CGGC yn adolygu'r LGPS.

DATBLYGU A DYLUUNIO'R MUDIAD

Yn ystod 2022/23, dechreuodd CGGC ar ei gynllun datblygu a dylunio ar gyfer y mudiad. Roedd y cam cyntaf yn ymwneud ag ailddatblygu strwythur ei fudiad, a arweiniodd at leihau nifer y staff. Bydd yr ail gam yn ymwneud ag ymwreiddio'r strwythur newydd; y diwylliant, gwerthoedd ac ymddygiadau; adolygu taliadau cydnabyddiaeth, dysgu a datblygu staff ac adolygu systemau a phrosesau. Bydd y gronfa ddynodedig ar gyfer datblygu a dylunio'r mudiad yn darparu cyllid ar gyfer cwmpas a gweithrediad cam 2, a'r gronfa yn cael ei chynyddu wrth i'r gwaith fynd yn ei flaen.

Cronfa Gwydnwch Trydydd Sector Cymru, "Cronfa Gwydnwch"

Cafodd y cyllid gwydnwch cychwynnol ei roi gan Lywodraeth Cymru yn ystod 2020/21 gyda'r nod o fynd i'r afael â'r problemau a oedd yn cael eu hwynebu gan y sector oherwydd y pandemig. Roedd y cyllid hwn yn gyfuniad o grantiau a benthyciadau ac mae'r cyllid cyfyngedig hwn sydd ar ôl yn ymwneud â'r gyfran ad-daladwy y mae buddiolwyr yn ei thalu dros gyfnod cytunedig o amser.

Cynllun Benthyca Asda

Cafwyd y cyllid hwn yn sgil cytundeb a wnaethpwyd gyda Social Investment Scotland o ran defnyddio'r arian a gasglwyd gan Asda drwy'r ardoll ar fagiau plastig. Dewiswyd CGGC fel partner gyflenwi'r cynllun benthyca i ddefnyddio arian Cymru. Gwnaeth hwn ategu cynlluniau benthyca'r gronfa buddsoddi cymunedol a oedd eisoes wedi'i sefydlu.

Caiff Grantiau a Chontractau Caffael a ddyfarnwyd i gyrrf lle mae gan Ymddiriedolwyr naill ai reolaeth uniongyrchol neu ddylanwad sylweddol eu datgelu yn nodyn 8. Yn ogystal â'r grantiau a ddatgelwyd yn nodyn 8, mae benthyciadau heb eu casglu ar ddiwedd y flwyddyn gan Cyngor Hil Cymru a The Wallich fel y ganlyn:

Cyngor Hil Cymru – Cronfa Wydnwch - £7,500

The Wallich - Cronfa Wydnwch - £23,543

22. Rhwymedigaethau digwyddiadol

Nid oedd unrhyw rwymedigaethau digwyddiadol ar 31 Mawrth 2023 (2022: £dim).

23. Ymrwymiadau pensiwn

Mae'r elusen yn cyfrannu at ystod o gynlluniau pensiwn â chyfraniadau wedi'u diffinio ar ran y cyflogion.

Mae'r tâl pensiwn ar gyfer y cyfnod yn cynrychioli cyfraniadau sy'n daladwy gan yr elusen i'r cynlluniau, a daeth y rhain i £121,421 (2022 £115,172).

Mae'r elusen hefyd yn cymryd rhan yng Nghynllun Pensiwn y Llywodraeth Leol (Cronfa Bensiwn Caerdydd a Bro Morgannwg) a weinyddir gan Gyngor Sir Caerdydd. Mae Cynllun Pensiwn y Llywodraeth Leol yn gynllun buddion diffiniedig sy'n seiliedig ar y cyflog terfynol pensiynadwy; gyda'r cyfraniadau yn cael eu codi ar y cyfrif incwm a gwariant fel y gellir rhannu cost y pensiynau dros fywydau gwaith cyflogion gyda'r elusen.

Y tâl pensiwn ar gyfer y cyfnod oedd £842,365 (2022: £844,804).

Mae'r elusen yn cyfrannu at Gronfa Bensiwn Caerdydd a Bro Morgannwg ar gyfradd gyffredin sy'n berthnasol i grŵp o gyflogwyr, a osodir gan actwari cymwysedig yn unol ag asedau ac atebolrwydd y grŵp yn ei gyfanrwydd. Cyfraniadau'r elusen a'r cyflogion yw 34.6%, a chyfradd amrywiaethol rhwng 5.5% a 9.9% o'u henillion yn ôl eu trefn.

Mae'r gwerthusiad diweddaraf a gynhalwyd ar 31 Mawrth 2023 wedi'i ddiweddaru gan actiwarïaid annibynnol i Gronfa Bensiwn Caerdydd a Bro Morgannwg i gynnwys gofynion FRS102 er mwyn asesu rhwymedigaethau'r Gronfa ar 31 Mawrth 2023. Caiff rhwymedigaethau eu prisio'n actwaraidd gan ddefnyddio'r dull uned rhagamcanol sy'n asesu'r rhwymedigaethau yn y dyfodol wedi'u gostwng i'w gwerth cyfredol.

Ar sail lefel bresennol y cyllid (sy'n adlewyrchu'r enillion gwasanaeth a phensiynadwy cronedig cyfredol ac ailbrisiad statudol yn unig) roedd gwarged o £8,340,000 (2022: gwarged o £1,180,000).

Mae CGGC wedi cael cyngor ar a oes ganddo'r hawl i ddangos yr ased pensiwn yn y datganiadau ariannol hyn a chydymffurfio â'r safonau cyfrifyddu. Gan nad oes gan CGGC hawl ddiamond i gael ad-daliad o'r gronfa bensiynau, mae'r ased wedi'i gyfyngu i £dim yn y datganiadau ariannol hyn.

Credwn fod y polisi cyfrifyddu newydd yn fwy priodol, a chan hynny, er mwyn sicrhau cysondeb y dull cyfrifyddu rhwng cyfnodau, mae angen ailddatgan y cyfnodau cyfredol a pherthnasol ar sail y polisi cyfrifyddu newydd.

Adroddiad strategol y grŵp

Cyflawniadau a pherfformiad

Dechreuodd CGGC y flwyddyn gyntaf o'n cynllun strategol newydd gyda ffocws cryf ar gynaliadwyedd a thegwch.

Gwnaeth pwysau'r costau byw effeithio ar y sector mewn nifer o ffyrdd, a gwnaeth ein cyngor ar gyllid, ynghyd â'r grantiau a ddosbarthwyd gennym, gynnig cymorth mawr ei angen i fudiadau o bob maint.

Gan weithio ar lefel genedlaethol, gwnaethom gynnal nifer o gydberthnasau â rhanddeiliaid a mynd ati i hyrwyddo rôl a gwerth gwirfoddolwyr a'r sector.

Camodd y sector ymlaen mewn nifer o ffyrdd o ganlyniad i'r rhyfel yn Wcráin, gan gynnig cymorth lleol ac estyn croeso cynnes i Gymru fel Cenedl Noddfa.

Gwnaeth partneriaeth Cymorth Trydydd Sector Cymru (TSSW) o'r 19 o Gynghorau Gwirfoddol Sirol (CVCs) ac CGGC ddal ati i ddatblygu cydwasanaethau gan ddefnyddio platfformau digidol a dulliau o fesur effaith ein hymdrehcion cyfunol.

Gwnaethom ymgymryd â rhaglen newid uchelgeisiol er mwyn sicrhau ein bod

yn y sefyllfa orau i ddiwallu anghenion ein haelodau a'r sector ehangach mewn amgylchedd sy'n newid i bob un ohonom ni.

Mae strwythur ein grŵp yn cynnwys CGGC, Social Investment (Cymru) Ltd, WCVA Trading Limited, WCVA Services Limited a Cynnal Cymru - Sustain Wales (Cynnal Cymru). Rydym yn rhannu uchelgeisiau i gefnogi'r sector a'r gymdeithas sifil ehangach yng Nghymru.

Prif risgiau ac ansicrwydd

Yn ystod y cyfnod adrodd, gwnaeth CGGC adolygu a rheoli risgiau a oedd yn effeithio ar ein gwaith a oedd yn ymwneud â chau'r gweithgareddau a gyllidwyd gan yr UE a'r argyfwng costau byw.

Mae staff CGGC yn monitro gweithgarwch ac yn asesu risgiau gweithredol yn rheolaidd. Mae'r Tîm Uwch-reolwyr yn cyflwyno'r risgiau strategol i'r Is-bwylgor Archwilio a Risg, sy'n edrych ar y materion ac yn rhoi awgrymiadau ar sut i liniaru'r risgiau.

Mae'r risgiau yn cael eu hystyried o dan bum pennawd: arweinyddiaeth, llywodraethu, cydymffurfio, adnoddau a chynaliadwyedd. Nodir y prif risgiau isod:

- Peidio â chynnig arweinyddiaeth briodol a strategol i'r sector yng Nghymru
- Peidio â chadw at systemau, gweithdrefnau a pholisïau mewnol priodol
- Anallu i gyflawni canlyniadau o safon yn unol â gofynion ein holl gyllidwyr, prosiectau a chontractau
- Diffyg adnoddau ariannol, ffisegol a dynol i gyflawni ein cynllun strategol
- Methiant i sicrhau cynaliadwyedd ariannol tymor byr a hirdymor grŵp CGGC

Cymeradwywyd yr adroddiad hwn gan y bwrdd ar 20 Medi 2023 a'i lofnodi ar ei ran.

Yng ngoleuni gwybodaeth a dealltwriaeth y Grŵp a'r Rhiant-gwmni Elusennol a'i amgylchedd, a gafwyd wrth gwblhau'r archwiliad, nid ydym wedi gweld camfynegiannau sylweddol yn Adroddiad Blynnyddol yr Ymddiriedolwyr.

Nid oes gennym unrhyw beth i adrodd yn ei gylch ynglŷn â'r materion canlynol mewn perthynas â'r hyn y mae Deddf Cwmnïau 2006 yn gofyn i ni adrodd i chi yn ei gylch os, yn ein barn ni:

Gall camfynegiannau godi o dwyll neu gamgymeriad ac fe'u hystyrir yn sylweddol os, yn unigol neu gyda'i gilydd, y gellid bod disgwyl rhesymol iddynt dylanwadu ar benderfyniadau economaidd defnyddwyr a gymerwyd ar sail y datganiadau ariannol hyn.

Welcome

Hello and welcome to our Annual Report for 2022/23

A YEAR OF CHANGE AND CHALLENGE

As we switched focus onto recovery following the end of pandemic restrictions, new challenges emerged for voluntary organisations in Wales. We worked with the sector to tackle the impact of the cost of living crisis and the closure of European Funds in Wales, both on organisations themselves and on the people and communities they support.

At WCVA we did all we could to enable voluntary organisations to succeed in spite of the many challenges we all face.

- We distributed funding to organisations that are tackling some of the biggest issues in society.
- As news broke of the war in Ukraine, we worked quickly with partners to help support refugees fleeing from the conflict.
- To put ourselves in the best possible position to support the sector in the future, we went through an ambitious change programme to re-design and develop the organisation.

During this period we began work to deliver our strategic plan for 2022-27, and this report outlines just some of the things we did to make progress on our ambitious goals. The role of Chair was handed from Peter Davies CBE to Dr Neil Wooding CBE. Peter welcomed Neil to the WCVA family and we said thank you to Peter for his 11 years as a trustee, including eight as Chair.

We hope you enjoy our Annual Report.

Our strategy

We know that the last few years have been extremely difficult for people in Wales and beyond. Voluntary organisations have also faced some very tough times.

To make sure we can all tackle today's challenges head on, we've been working with our staff and members. Together we've been thinking about what we can do over the next five years to positively shape a better future for Wales.

The change we want to lead across Wales

OUR GOAL:

The voluntary sector is more diverse and resilient

- More diverse people are involved in voluntary action
- More diverse resources strengthen delivery
- Organisations are more resilient

OUR GOAL:

Voluntary organisations are equal partners in achieving well-being in Wales

- Voluntary organisations lead positive change
- All sectors collaborate more for shared ambitions
- Our democracy better supports participation by voluntary organisations

And for WCVA to ensure we are the best we can be

OUR GOAL:

WCVA is more resilient

- WCVA is financially sustainable
- WCVA adapts positively to change
- WCVA further supports its people

Our goal

The voluntary sector is more diverse and resilient

- More diverse people are involved in voluntary action
- More diverse resources strengthen delivery
- Organisations are more resilient

What we did

We distributed £27.5m in grants and loans to the voluntary sector, compared with £28.9m in 2021/22 and £47m in 2020/21. This included £846,000 of loans awarded by our Social Investment Cymru team to 14 different social businesses or trading voluntary organisations to grow their activities and impact

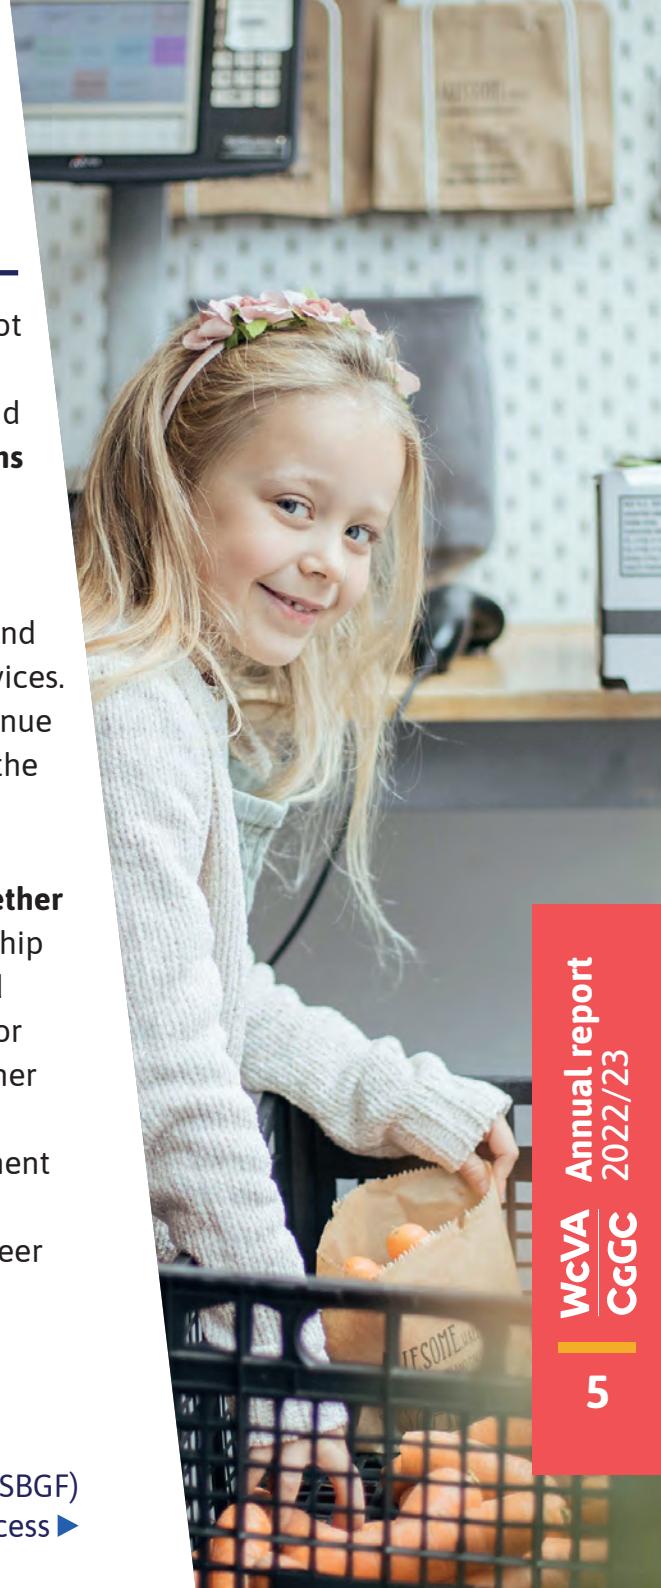

To support a more diverse voluntary sector we contributed to the Anti-racist Wales Action Plan as part of the stakeholder group. The plan sets out a vision of a Wales which is anti-racist by 2030. We also ran a session at our gofod3 event called 'EDI confidence' where we shared our Equality, Diversity and Inclusion journey to encourage others working in the sector to discuss experiences and embark on their own journeys

We worked with voluntary organisations to increase understanding and awareness of how to build their 'resilience' during challenging times. This work included research, events and blogs on the theme, resulting in a new definition of voluntary sector resilience and a visual model to aid understanding of the different aspects of resilience

We ran Newid: Digital for the third sector, a pilot programme of digital skills development and support for the voluntary sector in Wales. Newid ran a range of activities to support organisations with digital and to gather valuable insights into needs for future support. The project is a partnership between WCVA, Cwmpas and ProMo-Cymru, funded by Welsh Government, and supported by The Centre for Digital Public Services. Newid has now secured future funding to continue its work of sharing good digital practices with the voluntary sector

We continued to make a bigger difference together by collaborating with partners. Run in partnership with the local County Voluntary Councils, Third Sector Support Wales is a network of support for the voluntary sector allowing us to work together on four key areas of work: volunteering, good governance, sustainable funding, and engagement and influencing. We also supported the sector through our other networks such as the Volunteer Wales Network, Safeguarding Network, and Equality & Human Rights Coalition

Our model of resilience is the first part of a piece of work to help voluntary organisations to understand the term and consider how they can increase their resilience during difficult times

Case study: Farming the ocean floor

A Net-Zero Carbon Start-up Grant from WCVA helped Câr-y-Môr move their social business up a gear.

Câr-y-Môr is a community benefit society and the first community-owned regenerative ocean farm of its kind in Wales. With three pilot farms off St David's peninsula, their business of growing seaweed and shellfish has led to the creation of 11 new jobs and radical improvements to the coastal environment.

Câr-y-Môr received funding from the Net Zero Carbon Start-Up Grant, part of a pilot scheme managed by our Social Investment Cymru team providing a much-needed boost to budding social businesses across Wales. The scheme also supports new organisations to embed good climate practice from the start. Six months on from receiving

the grant, Câr-y-Môr had several new products on sale at a weekly market, with many more to be distributed nationwide.

Câr-y-Môr Funding Manager, Tracey Gilbert-Falconer explained: 'The Grant has helped us employ Tara, a part-time food product developer, who has been creating edible products, like spaghetti, from the seaweed we grow. Without WCVA's grant, we wouldn't have been able to utilise the seaweed for food anywhere near as quickly.'

Grants and loans distributed to the sector - £27.5 million

The difference we made

With **97% of learners rating them as good or excellent**, we provided learning and peer to peer support by delivering 50 webinars and training courses to 868 participants

93% of those surveyed rated gofod3 as good or excellent. For a second year running we held an online version of gofod3, WCVA's flagship event and the biggest voluntary sector gathering of its kind in Wales. gofod3 provided a week of webinars, workshops and discussions attended by 1,528 people

An independent evaluation of our Active Inclusion Fund (AIF) highlighted the importance of the voluntary sector in delivering employability programmes, in particular finding that AIF was surprisingly flexible and resilient to the effects of the COVID-19 pandemic. It also highlighted Active Inclusion's importance in building and enhancing voluntary sector capacity

and expertise in delivering employability programs. The Active Inclusion Fund was managed by WCVA, supported by funding from European Structural and Investment Funds

In April 2022 Minister for Social Justice, **Jane Hutt announced that Welsh Government would be shifting to provide longer-term grants to voluntary organisations.** This followed months of work by the Funding and Compliance Sub-committee of the Third Sector Partnership Council (TSPC). Some schemes could provide as much as six years of funding in total which will make a real difference to organisations and their planning for the future

During the year, **103 organisations signed up to the Investing in Volunteers (IiV) quality mark** (an increase of 106% on the previous year), 98% of which were signing up for their first award. With

partners across the UK, we grew interest in IiV, recording the highest number of registrations for the award in Wales. During the year 56 organisations have made progress with their IiV qualification, with 19 achieving the mark by the end of March 2023

In the 2022/23 period **56 funders and 860 funds were added to Funding Wales and 3,879 new users registered.** This year we made some of the biggest changes to our funding search platform since the site was launched. Run in partnership with the local County Voluntary Councils, Funding Wales now allows users to save searches and get direct notifications when funds are added or updated. We know capacity is always a barrier to organisations searching for funding, so we've also improved search accuracy and increased the support we offer to Funding Wales users

Praise for Investing in Volunteers (iIV)

‘They support you every step of the way and we have found it very rewarding to take the time to reflect on and showcase the positive impact that our work has on people’s lives.’

Volunteer Coordinator

What you said about the Newid project

‘Everyone I came across was so helpful – pointing me to advice and guidance. I came away totally transformed about my view of digital and how I can support my organisation.’

‘The work through Newid has been incredibly valuable. I would like to see more organisations secure this support – it would make such a difference to the sector. I’m only starting the journey, but I am looking to embed the learning. If I can then cascade to other organisations, they would benefit so much – especially those small organisations without much of a training budget.’

Right: North Wales Wildlife Trust received funding from our Landfill Disposals Tax Fund to run activities for local children ►

Praise for BME Sport Cymru training

‘The training was invaluable and the engagement from the team hopefully represented how invested they are in [the] importance of EDI and engaging ethnically diverse communities.’

‘Your help and support is invaluable and I know we will continue to draw on that as we roll out our anti-racist work.’

Volunteer Coordinator

Support and services feedback

‘I feel that the skills I have learned will be useful in all aspects of professional and personal life and not just in difficult situations as good use of skills consistently can help prevent the need for difficult conversations.’

Attendee on our ‘Dealing with difficult conversations’ course

‘It is essential to have informed and effective safeguarding policy and procedures in place. Suzanne and the WCVA safeguarding team have been such a huge help in working with Daring to Dream, advising us in the development of our safeguarding policy into one that is current and “fit for purpose”. On behalf of our trustees, a huge thank you for your support.’

Barbara Chidgey, Daring to Dream

Case study: Improving health in Nigeria

Wales and Africa funding from WCVA helped Shine Cymru and Festus Fajemilo Foundation support people like Gbemisola to improve their health and future outlook.

Gbemisola was born with Spina Bifida and suffered with continence issues as a result, which lead to her facing severe stigma and mockery from her peers.

After starting on the Foundation's 'Saving Lives! Improving Futures' she learned to better manage her continence issues, and finally found the confidence to make new friends and even go to university, with plans to become a disability rights advocate.

Shine Cymru and Festus Fajemilo Foundation's (FFF) project aims to support 250 babies, children and young people - and their families - with spina bifida and hydrocephalus to

better their health through improved continence care and management in three regions of Nigeria.

Funding from Welsh Government's Wales and Africa grant scheme, administered by WCVA, helped the project strengthen and expand to reach more children and families.

Gbemisola said: 'My experience since joining FFF has made me believe that there is no problem without solution in this life. I am ready to share this anytime, anywhere, I am so happy.'

Right: Gbemisola gained newfound confidence and friends following her involvement in Shine Cymru and Festus Fajemilo Foundation's Wales and Africa project ►

Our goal

**Voluntary organisations are
equal partners in achieving
well-being in Wales**

- Voluntary organisations lead positive change
- All sectors collaborate more for shared ambitions
- Our democracy better supports participation by voluntary organisations

What we did

WCVA published a research report titled *The future we create: lessons from pandemic volunteering in Wales*. The report **gathered the views of key stakeholders to look at the impact of volunteering during COVID-19** and the lessons we can learn for the future. It also made a number of recommendations to support volunteer involving organisations, such as ensuring the sector has access to sufficient funding for staff resource, improving accessibility of resources for informal groups, and investing in activities to enable new types of volunteering and collaboration

We continued to ensure the voluntary sector's voice is heard by decision-makers through **facilitating regular meetings between sector groups and Welsh Government Ministers**, including meetings of the Third Sector Partnership Council

with the Minister for Social Justice Jane Hutt. We also organised a meeting of national voluntary organisations with leads of Regional Partnership Boards to discuss how national organisations can make a contribution at a regional level

We gave written and verbal evidence on a number of Welsh Government, Senedd and UK Government consultations, including on the Social Partnership and Public Procurement (Wales) Bill, the Innovation Strategy for Wales, the Constitutional Future of Wales, and the Inquiry into Lobbying

As part of the UK Civil Society Group **we worked to ensure the voice of Wales' voluntary sector was heard at Westminster** on subjects such as the UK Budget. The group also began a project with UK Finance to design tools for making decisions around banking services more transparent, and it meets regularly with the Charity Commission to share issues facing the sector

We established a new partnership with Macmillan Cancer Care to improve access to information and advice for people with cancer

Welsh Charity Awards

Congratulations to the 2022 winners of the Welsh Charity Awards

Returning for the first time since the pandemic, we received a record number of nominations for the Welsh Charity Awards this year, and during Welsh Charities Week we celebrated the five amazing winners.

The Awards showcase the positive difference we can all make to each other's lives by recognising and celebrating the fantastic contribution charities, community groups, not-for-profits and volunteers make to society in Wales.

The five winners accepted their awards at a ceremony hosted at ITV studios in Cardiff Bay in November 2022.

Spotlight on our staff: Championing volunteers in health and care

Judith Stone, Assistant Director of Support and Invest at WCVA, has been involved in wide-reaching work on the voluntary sector's role in health & care.

In 2022 we kicked off a new project, funded by Welsh Government, building on previous work to broker relationships in health and social care, and the significant impact made by voluntary organisations and volunteers during the COVID-19 pandemic.

We carried out extensive stakeholder engagement to understand the challenges facing the voluntary sector and volunteers in health and social care in Wales and co-produce a vision for the difference we want to make with this project.

We published an infographic and two papers, co-authored with the Bevan Commission, to raise awareness of the contribution of the voluntary sector and volunteers to health, care and well-being. At the launch of *The value and values of volunteering: our hidden asset*, Judith Paget, NHS Wales Chief Executive, celebrated the contribution of volunteers saying: 'I don't think a week goes past where I'm not in a conversation with somebody about the value of volunteering in the past, present and future.'

We also contributed to a range of government workstreams and facilitated meetings between the sector and the Minister for Health and Social Services. At the Minister's request, we presented a paper on the structure and resource that volunteers need to make volunteering roles in health and social care a success.

The difference we made

WCVA's work was mentioned 82 times by Welsh Government in 2022/23 – that's 13 times in plenary sessions, 19 times in committee sessions, and 50 times across different Welsh Government news items and publications

We spoke out about key issues for voluntary organisations with appearances in The Guardian, The Independent, BBC News and other media outlets. We continued to advocate for the Welsh voluntary sector, in particular raising awareness with the press on issues surrounding the lack of replacement funding for EU funds in Wales

The Wales Civil Society Forum, run in partnership with Cardiff University, **chaired Welsh Government's work around UK Government's Bill of Rights bill**. It also partnered with Fair Trade Wales to pilot coordination, networking and advocacy work for the voluntary sector on post-Brexit trade policy. A Welsh Government official said: 'The network has allowed us to engage with organisations and civil societies that have proved difficult to engage with in the past due to a number of reasons, namely a lack of capacity and knowledge within those organisations'

Our 'Welsh Charities Week' celebrations included the Welsh Charity Awards ceremony, which led to **award winners being featured on ITV Wales' evening news and ITV Wales online**. This was thanks to a partnership with ITV Cymru Wales. Welsh Charities Week also saw several charities interviewed on the radio and featured in local media publications. Welsh Charities Week is a campaign that highlights the work of charities, social enterprises, voluntary organisations and community and volunteer groups in Wales

The Community Ownership Group produced a consultation response that **significantly influenced the Senedd inquiry into community assets**, highlighting key community ownership issues. This year we established the group, a cross-sector network designed to raise the profile of communities running public spaces while improving the community asset transfer process and enabling the purchase of privately-owned assets

Right: Swansea Community Farm were one of the organisations we highlighted as part of Welsh Charities Week ►

Spotlight on our staff: Contributing to Wales' Ukraine efforts

Natalie Zhivkova, Policy and Insights Manager at WCVA, worked with the sector and other key partners to ensure Ukrainian refugees were re-settled and supported quickly and kindly.

News about the invasion of Ukraine and the humanitarian crisis in the country sent shock waves across Wales and a strong urge to take action was mixed with a sense of despair for many of us. What could we do and how could we help from many miles away?

I am very proud to say WCVA got involved in Wales' response immediately and worked quickly to enable and co-ordinate support for refugees fleeing the conflict. We worked closely with Welsh Government, the County Voluntary Councils, Welsh Local Government Association (WLGA) and local authorities to create links and enable specialist organisations to provide much needed support.

Together, we produced materials aimed at aiding efforts in local authority areas, helped shape the content available on sanctuary.gov.wales, provided updates from Welsh Government to stakeholders, and ensured feedback from the frontline was considered in the development of policies.

We worked with partners to help streamline signposting processes, make best use of offers of help from the public, and prevent the duplication of services across the public and voluntary sectors. Our work helped support refugees to move out of welcome centre accommodation and take part in volunteering opportunities to enhance skills and increase independence.

Our goal

WCVA is more resilient

- WCVA is financially sustainable
- WCVA adapts positively to change
- WCVA further supports its people

What we did

We went through an ambitious change programme to re-design and develop the organisation to ensure we're in the best possible position to support the voluntary sector in the future. Part of this was a package of support for staff to provide as much help as possible during these uncertain times

In 2022/23 we examined our organisational culture, empowering our staff to take part in the process through our Equality, Diversity and Inclusion champions group. Working with colleagues we developed a new set of 'values and behaviours', which were a significant step towards ensuring that our workplace culture is inclusive, equitable, and supports our staff's growth and development

◀ **Left:** WCVA staff at our joint International Women's Day event with Sustrans Cymru and the Welsh Local Government Association (WLGA)

We ran trustee elections with the nomination and selection process firmly in the hands of our members. This year's election campaign had a strong focus on diversifying WCVA's board

Our staff were encouraged to learn new skills and develop their careers. Three of our staff took part in secondment opportunities with other organisations, gaining new experiences and knowledge that they could bring back into their roles at WCVA. We also continued our commitment to staff learning and development. Our staff recorded 452 different occasions where they had accessed learning on topics such as 'An introduction to safeguarding', Welsh language awareness, and digital skills

We commissioned an independent report on our use of Welsh language. Recommendations from the report will help us to better deliver our services as a bilingual organisation and attract more Welsh speakers to join our staff team

Spotlight on our trustees: WCVA's Change programme

In 2022/23 Reham Bassal and the rest of the WCVA board oversaw an extensive change programme to help the organisation prepare for the future.

Since I became a trustee in 2022 WCVA's change programme has been the main focus of the board, transforming the organisation to better serve the needs of the voluntary sector in Wales.

With the end of EU funding in Wales, the changes in the way we work due to the pandemic and our new strategic plan for 2022-27, WCVA needed to organise and look ahead to prepare for the future.

We recognised that to continue to deliver services and represent the Welsh voluntary sector effectively, we needed to rethink our organisational structure and how we work. While it was challenging, it was necessary to ensure long-term financial sustainability.

We remained committed to our values and mission of driving innovation throughout, optimising our resources and impact,

supporting our people, and driving diversity and inclusion. We worked hard to ensure that our people remained at the heart of everything we did. We consulted extensively with our staff using best practices to ensure fairness and compassion.

While the restructuring was not without its challenges, I believe it has ultimately strengthened our organisation and positioned us for success in the years ahead. I am thankful for all the hard work and dedication shown by our team throughout the process, and I am confident that we will continue to make a positive impact on the voluntary sector.

The difference we made

Our careful financial management has led to a successful interim audit for 2022/23. Our Active Inclusion Fund also received six European Funds Audit Team (EFAT) 'unqualified' audits this year, meaning there were no areas that could be improved upon.

What staff said about working with our Equality, Diversity and Inclusion Champions

'In the past year, we have conducted comprehensive equality assessments, especially throughout our change programme. This has enabled us to gain a deeper understanding of our organisation and how we can effectively execute our strategic plan. These assessments have allowed us to foster a more inclusive and equitable workplace culture and ensure that our organisation is aligned with our values and goals.'

Samantha Carpenter, Equality, Diversity, Inclusion and Wellbeing Officer

What staff said about secondment opportunities

'Having the opportunity for a secondment within Welsh Government provided me with experience and knowledge that I could not have gained in any other way. It has allowed me to deepen my knowledge of how Welsh Government works and understand how we can support the sector to engage with them more effectively. This experience has led to me securing a promotion and further developing my own career pathway.'

Head of Partnerships & Policy at WCVA**

Spotlight on our staff: Developing our employees

WCVA's staff training programme has supported Grants Support Officer, Emma Manderson to develop her use of the Welsh language and advance her career.

This year I attended an intensive 'Canolradd' course over the summer that was paid for by WCVA and they matched the time I put in, allowing me to record half of the weeklong residential as work time.

I had been learning Welsh before, but my motivation and progress had slowed right down during the pandemic. The immersive course really revitalised my Welsh, giving me the chance to use the language all day long and cement my learning.

This gave me the confidence to represent WCVA at our stand at the National Eisteddfod, greeting visitors and chatting about our work in Welsh, and to go on and sign up for a weekly Higher Level course (also paid for by WCVA and with time matched).

All of this gave me the skills and confidence to apply for a 'Welsh essential' role as a Grants Funds Support Officer with WCVA, to which I was successfully appointed in March.

In the last few years I've gone from a complete beginner to being fluent enough to do this job, which is thanks to the support from WCVA.

'End of an era'

European funding in Wales

As European funding winds down we've been celebrating what has been achieved by the voluntary sector in Wales, while working hard to influence the future funding landscape.

Spotlight on our staff: Supporting the sector after European funding

Matt Brown, WCVA's Director of Delivery & Development, has been leading on our work to influence the funding landscape after the end of European Structural Funds.

The closure of European Structural Funds in Wales is the end of an era. Though there is a sense of sadness in its passing we can look back on a period where voluntary organisations have made a huge impact on a range of key issues for society.

We're proud that through WCVA and other support bodies we've been able to open up these funds to organisations in the voluntary sector that traditionally may not have the capacity or technical knowledge to access them.

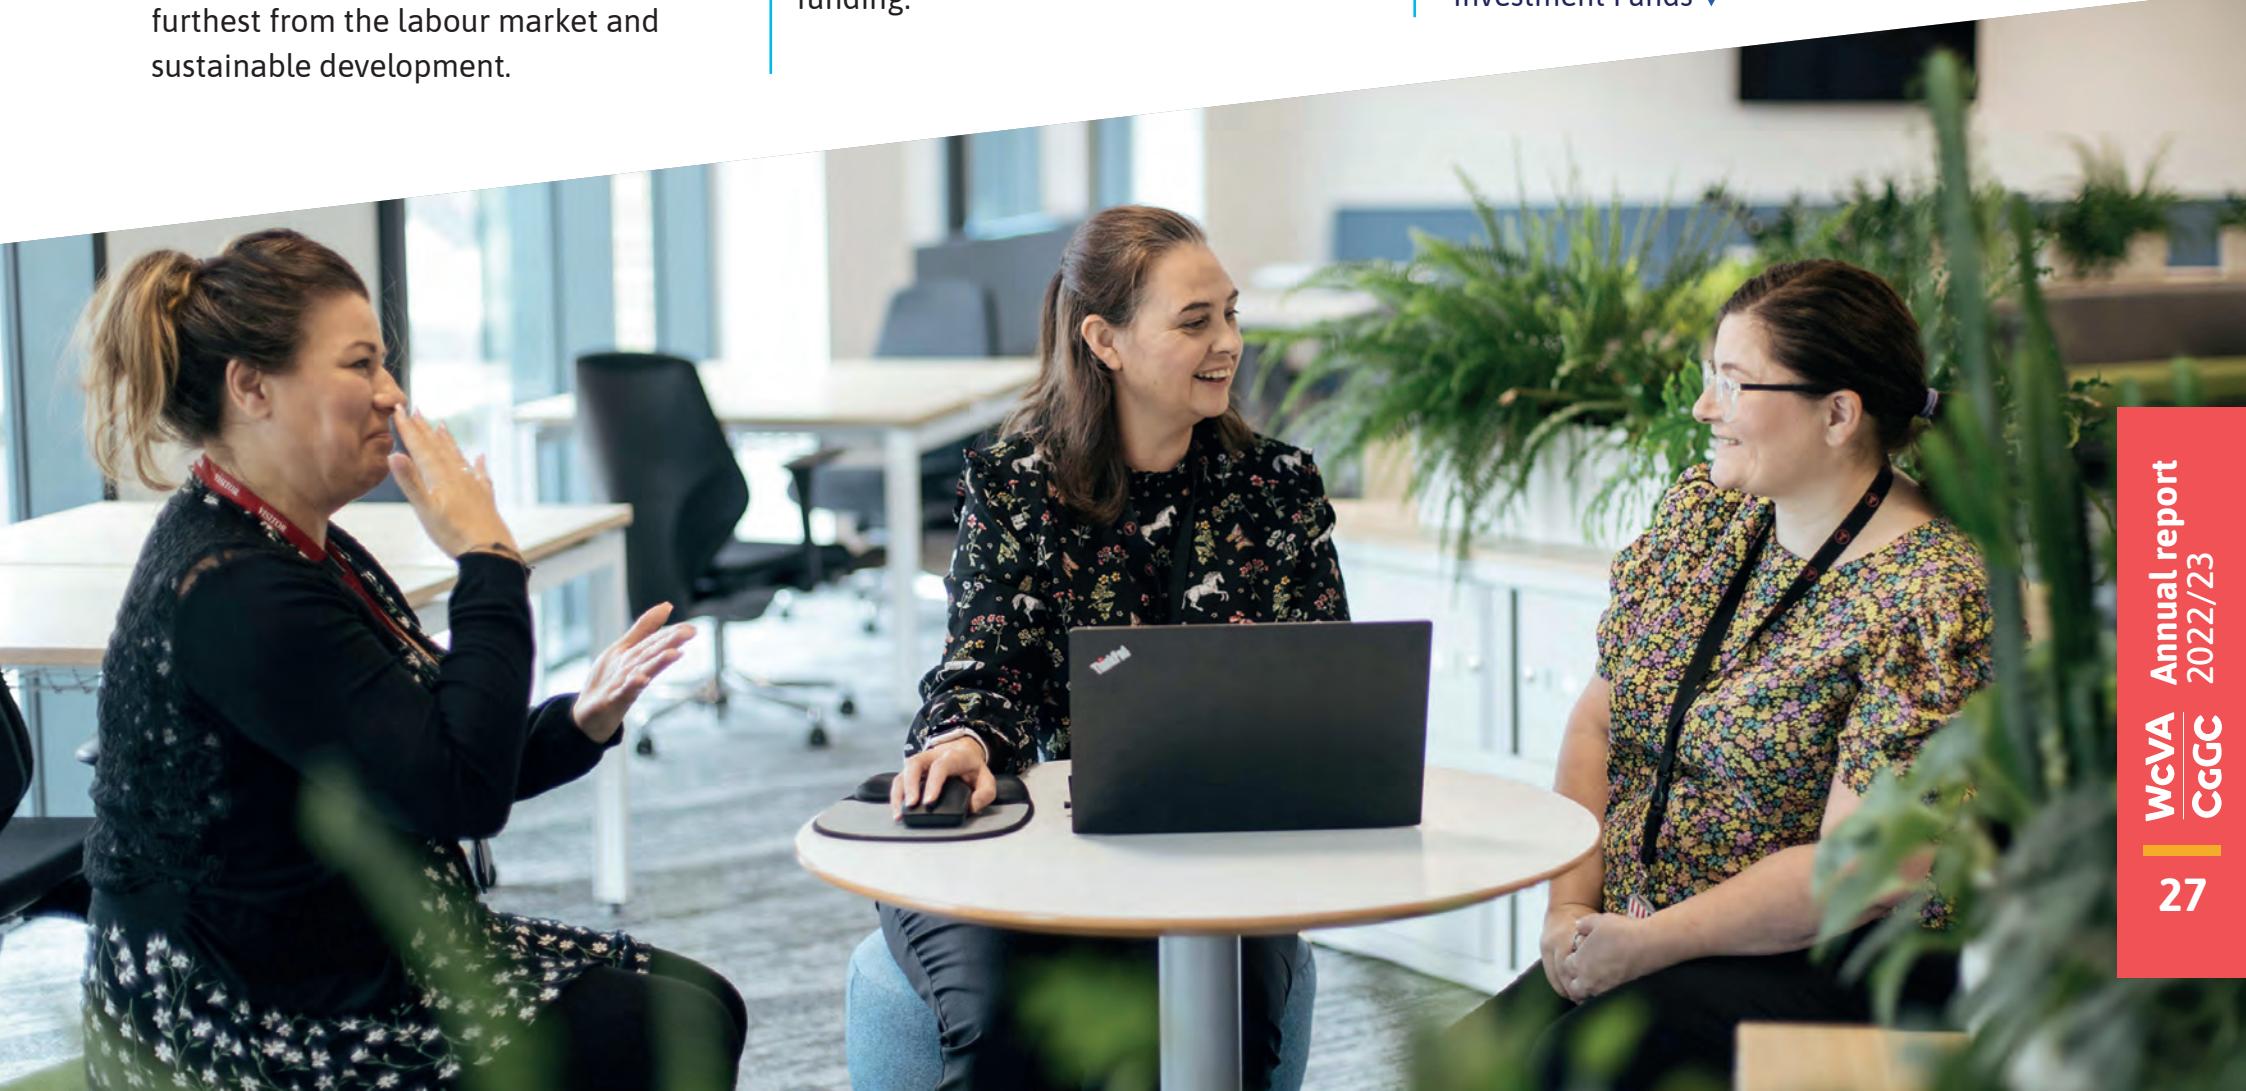

Above: Matt ensured the voluntary sector's voice was heard in post-EU replacement funding discussions ▲

In turn, these organisations have used their local knowledge and specialist expertise to really make a difference in the communities that need them.

Welsh voluntary organisations can look back on some truly inspiring achievements in areas such as improving employment opportunities for those furthest from the labour market and sustainable development.

At WCVA we also look back proudly on our work with Cwmpas, helping social businesses to grow. But we're even more delighted that through our Social Investment Cymru team EU investment has become a recyclable source of funding that will be re-invested into the sector long after the closure of European funding.

Celebrating the successes of the sector in Wales

We ran a celebration event in March 2023 to **highlight the impact that the voluntary sector has made using European Funding**. We heard an impassioned update from Vaughan Gething, Minister for the Economy, and the inspiring stories from some of the projects in Wales that have

been making a huge difference to the communities they support. At the event we launched *The impact of European funding in Wales*, a report exploring how Welsh voluntary organisations, through their involvement in European funding, were able to contribute across a range of key social issues

◀ **Left:** Vaughan Gething, Minister for the Economy, speaking at our EU funds celebration event in March

◀ **Left:** Our report explored the difference voluntary organisations made in a period spanning over 20 years thanks to European funding

We have been engaging with decision makers at both Westminster and the Senedd, advocating for voluntary sector involvement in any decisions about the replacement funding streams. We highlighted the impact of the loss of EU funding and the delay in making the UK Shared Prosperity Fund available on voluntary organisations and the people and communities they support.

We did this through our engagement with government officials and local and regional stakeholders and partners, and our influencing work led to local and national press coverage including in The Guardian, on BBC Wales and on BBC Newsnight.

These figures give an overview of our financial performance for 2022/23.

During the year we distributed **£27.5m** in grants and loans to the voluntary sector. Our income was **£35m** and our expenditure was **£33.2m**.

Expenditure £33.2 million

Financial statements

2022/23

In this section you will find details of our accounts and activities for the financial year 2022/23 including the Trustees' annual report, financial review and statements, group strategic report, information about our members, and the independent auditor's report.

Trustees' annual report 2022/23

The trustees, who are also Directors for the purposes of the Companies Act, present their report and the audited financial statements of the charity for the year ended 31 March 2023.

Structure, governance and management

Governing document

Wales Council for Voluntary Action ('WCVA') is a company limited by guarantee and a registered charity. Its governing documents are the Memorandum and Articles of Association dated 9 December 1946, which were last amended in November 2016.

Recruitment and appointment of trustees

WCVA's articles of association provide for a board comprising not less than six and not more than sixteen trustees. Up to twelve trustees of WCVA's board shall be elected by members at an Annual General Meeting and up to four members may be appointed by WCVA's board. Trustees shall retire by rotation and shall be those who have served for a continuous term of three years following their election or re-election. A retiring trustee shall be eligible for re-election for a further term of three years and no trustee shall serve for more than nine consecutive years in office. WCVA's board may at any time co-opt any person to fill a casual vacancy occurring in the WCVA board. Following this year's trustee election process and ballot of our members for the five vacant places on the board, our members approved the appointment of three new trustees and reappointed two existing trustees.

Welcome to our new Chair

Dr Neil Wooding CBE was formally welcomed as Chair at our AGM in November 2022 and took over the role from Peter Davies CBE. Neil joined the board in February 2022 as Chair designate following an extensive and transparent recruitment search.

Neil has undertaken numerous voluntary roles throughout his career. His domain of expertise lies within people development, organisational change and human diversity.

Trustee induction and training

New trustees attend an induction session and are provided with a comprehensive trustee handbook providing further information on their role and responsibilities. Trustees have access to online resources to support their role and in-house training is provided covering key governance areas as and when required.

During 2022/23 a number of focussed sessions were held for trustees including refresher training on safeguarding, as well as updates on different work programmes.

Risk management

WCVA's Audit & Risk Sub-Committee has approved and keeps under review a comprehensive risk register. The risk register identifies potential risks, describes the action that is required to minimise or avoid each risk, who is responsible for taking the action, and target dates. The Chair of the Audit & Risk Sub-Committee reports to the Board to ensure all trustees are updated.

Honorary positions

WCVA has four honorary positions and is pleased to have the support of people with significant interest and experience in the voluntary sector.

WCVA's honorary President, Michael Sheen, promotes WCVA and the sector wherever possible. We were delighted that Peter Davies CBE, former Chair, accepted the role to become our third

Vice President when he stood down from the Board in November 2022. Peter has been an avid advocate for the voluntary sector and specifically sustainable development throughout his career.

WCVA's Vice President Tom Jones OBE works to maintain and develop civil society links across Wales, the UK and Europe. WCVA's Vice President Margaret Thorne CBE DL continues to support WCVA's work with local partners.

Organisational structure

WCVA is a membership organisation. Membership is open to charities, voluntary groups, community groups and social enterprises working in Wales. All members hold voting rights. Members are actively encouraged to shape our work and link to a rich network of like-minded people with a shared vision.

The board is assisted in fulfilling its role by two sub committees: WCVA Audit & Risk Committee and WCVA Finance Committee. The board is also supported by a number of funding advisory panels. The board is responsible for approving

and monitoring the strategic and operational plans which form the focus and basis of WCVA's work. During the year we restructured to ensure future sustainability of our role to support the voluntary and community sector.

Related parties

During 2010/11 the charity formed a group through the incorporation of two wholly owned subsidiaries, Social Investments (Cymru) Limited (renamed from WCVA Investments Limited on 24 October 2014) for the purposes of establishing a loan fund, and WCVA Services Limited for the purposes of administering loan services.

Social Investment (Cymru) Ltd delivers social investment for and on behalf of the voluntary sector in Wales. This subsidiary company will become dormant during 2023/24 transferring all activity to WCVA. A Social Investment Committee will be set up to assist WCVA's Board in its duty to supervise the direction of WCVA's repayable finance activities.

Following completion of a previous European funded project, WCVA Services Limited is a dormant company. A third subsidiary, WCVA Trading Limited, was incorporated during 2011/12; this company is not currently active.

Our fourth subsidiary, Cynnal Cymru - Sustain Wales (Cynnal Cymru) joined the WCVA group on 1 April 2018.

Cynnal Cymru is the national charity for sustainable development in Wales. Cynnal Cymru is also a private company limited by guarantee. Cynnal believes every organisation can take steps to respond to global challenges in ways that benefit them, and the people around them. Whether it's paying the real Living Wage so that workers can live and not just exist, reshaping business practices to minimise environmental harm, or engaging with employees, supply chains and customers to reduce greenhouse gas emissions – they believe that raising ambition benefits organisations in Wales and beyond, now and for the future.

During 2022/23 we have worked together to promote sustainable development and fair work across a number of policy areas and projects with public, private and voluntary sector partners.

Grants and procurement contracts awarded to bodies where trustees either have direct control or significant influence have been disclosed within note 8 to the accounts.

Public benefit

The trustees have paid due regard to the Charity Commission's guidance on public benefit. This is evidenced by the organisation restructure and the investment policy. The trustees are confident that WCVA's activities are in accordance with the regulations on public benefit.

Working in partnership with local County Voluntary Councils and our wider membership we focused our resources on the areas where we could make the greatest impact. At WCVA we exist to enable voluntary organisations in Wales to make a bigger difference together.

Grants and Funding

The charity administered 17 (2022:18) grant schemes during the year and grant payments were made to 560 (2022: 680) organisations.

Membership

Membership is open to charities, voluntary groups, community groups and social enterprises active in Wales. Our membership offer, which was launched in September 2021, has continued to be well-received with the new website system for membership working well for renewals and new membership applications. We delivered a number of events exclusive for members during 2022/23 including our AGM and an International Women's Day event. We also engaged with members on the cost of living crisis by gathering and analysing feedback on key challenges and organising dedicated virtual sessions to address these challenges.

Members

Financial review 2022/23

During the year WCVA generated total operating income of £35 million. The main funding sources for the charity comprise grant and loan funding from Welsh Government, Europe, Comic Relief and other funders to support its core activities, specific project work and ongoing support for the voluntary sector. Direct funding is also generated through delivery of services and activities to its members including training, publications and conferences.

This income, together with expenditure incurred is split between unrestricted and restricted activity. The following table provides a further analysis of the charity's financial performance to support a clear understanding of the position in practice. This is further supported by the narrative below:

Analysis of WCVA's consolidated financial position

	Unrestricted £	Restricted £	Total £
Operating income	3,350,366	31,162,854	34,513,220

Balances carried forward	8,461,298	6,508,703	14,970,001

*An amount of £130,000 from the pension adjustment is currently within other income (£50k) and offsetting salary costs (£80k).

Unrestricted activity

The reported net operating gain on unrestricted activity of £670k includes the above pension adjustment of £130k. Total unrestricted funds carried forward at 31 March 2023 were £8.5m. Of these, £3.10m have been designated by the Board to cover a property reserve, transitional pension scheme costs, anticipated costs of closing European projects, costs to support the ongoing development and sustainability of the charity and organisational development design phase 2 costs, leaving general unrestricted reserves of £5.4m. These reserves include no pension asset or liability, this is because WCVA can only recognise an amount that is recoverable. A financial strategy of prudence and care is being pursued to ensure the safeguarding of the charity's unrestricted reserves to support the ongoing sustainability of the organisation and managing the free reserves against the movement of the Local Government Pension Scheme (LGPS) is a challenge.

Restricted activity

All restricted projects are fully funded. The positive movement of £1.1m represents the net movement in the year against the loan activity reserves held by WCVA in relation to the CIF 1, CIF 2, Asda and Resilience loan schemes. The main increase this year is due to a significant release of income to restricted reserves in relation to repayments of loans within the Resilience loan scheme.

The total level of restricted funds carried forward at 31 March 2023 stood at £6.5m, representing the various loan schemes cash and outstanding debts on funding awarded, net of any provisions for bad debt. In line with WCVA's financial strategy, expenditure on all on-going projects is closely monitored and controlled to ensure that no losses are incurred on fully funded restricted activity.

Volunteers

In addition to its volunteer trustees, 84 individuals with relevant skills and experience serve as voluntary members of the project boards and loan panel that assist WCVA by providing expertise for different grant schemes or planning different aspects of its work.

Grants and funding policy

The trustees publicise all grant and funding schemes and invite applications from eligible organisations. Applications are assessed against set criteria and recommendations made by the project boards and loan panel, appointed by the board and chaired by board members, representing a wide cross section of expertise. Strict codes of conduct, including a register of interests, are adhered to. All the awards are publicly announced.

Investment policy

The trustees invest primarily in money-market bank deposits, but also in some fixed interest investments, with the aim of ensuring a reasonable return whilst minimising the level of risk.

Reserves policy

The trustees have set a policy which requires that reserves be maintained at a level that ensures WCVA's core activity could continue should a major funder reduce or remove its funding and that a proportion of reserves be maintained in a readily realisable form. The trustees consider readily realisable reserves to be the amount of reserves that are easily converted into cash should the need arise. The calculation of the required level of reserves is an integral part of WCVA's planning, budget and forecast cycle. It considers the risks associated with each stream of income and expenditure being different from that budgeted; the planned activity level; and WCVA's commitments.

The trustees assessed the reserves policy and reviewed it during the year. They discuss the readily realisable reserves, WCVA's commitments and the market value of investments. The main risks to both income and expenditure are highlighted and a calculation of the possible financial consequences of adverse movements made.

The trustees use this information to ensure an adequate level of readily realisable reserves is held. The trustees have designated unrestricted reserves, totalling £3.1m, which are expected to be released over the next three to five years.

Details of the unrestricted reserves held by the charity can be found in note 17 to the accounts.

The trustees and charity advisors

The trustees and other advisors who served the charity during the period, together with other administrative details of the charity can be found on page 32 of the Annual Report above.

Trustees' responsibilities

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the charity and of the incoming and outgoing resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Make judgments and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements

- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue on that basis

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006.

The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- There is no relevant audit information of which the company's auditors are unaware; and
- The trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Auditor

A resolution regarding the appointment of auditors, Bevan Buckland LLP, was presented to members at the 2019 Annual General Meeting in accordance with section 384 of the Companies Act 2006. The appointment covered a three-year term with an option to extend for a further two years. A resolution to extend the current appointment for a further two years was presented to members at the 2022 Annual General Meeting.

Notes to the financial statements

General Information

Wales Council for Voluntary Action is a company limited by guarantee and registered charity incorporated in the United Kingdom. The address of the registered office is One Canal Parade, Dumballs Road, Cardiff, CF10 5BF.

The object of the charity is to provide information, training and advice to support volunteering, governance, funding and safeguarding; and promote and support the third sector's contribution to major policy areas.

The financial statements are prepared in sterling, which is the functional currency of the group, and rounded to the nearest £1.

1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

Basis of preparation

The accounts have been prepared on a going concern basis under the historical cost convention, as modified by the inclusion of fixed asset investments at market value. The Trustees consider that there are no material uncertainties that call into doubt the ability Wales Council for Voluntary Action has to continue as a going concern.

The financial statements have been prepared in accordance with the Statement of Recommended Practise "Accounting and Reporting by Charities" (Charities SORP FRS102) and the Companies Act 2006, and in accordance with applicable accounting standards, including Financial Reporting Standard 102 (UK and Republic of Ireland).

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 2).

Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Charity and all group undertakings. As a consolidated Statement of Financial Activities and income and expenditure account is published, a separate Statement of Financial Activities for the parent company is omitted from the group financial statements by virtue of section 408 of the Companies Act 2006.

Going Concern

The group and charity meet its day-to day working capital requirements through its bank facilities. The current economic conditions continue to create uncertainty. The directors have considered the future trading position of the company, and based on actual trading results since the year-end, are confident that the going concern principle can be applied to the financial statements.

Fund accounting

Restricted funds are to be used for specified purposes laid down by the donor. Such purposes are within the overall aims of the organisation. Expenditure for those purposes is charged to the fund, together with a fair allocation of overheads and support costs.

Unrestricted funds are donations and other incoming resources received or generated for expenditure on the general objectives of the charity.

Designated funds are unrestricted funds which have been designated for specific purposes by the Trustees, for necessary work in connection with the on-going provision of services yet fail to meet the stringent criteria of contractual obligation set out in FRS102.

Notes to the financial statements

Income and endowments

DONATIONS AND GIFTS

All monetary donations and gifts are included in full in the statement of financial activities when receivable, provided that there are no donor-imposed restrictions as to the timing of the related expenditure, in which case recognition is deferred until the pre-condition has been met.

GRANTS RECEIVABLE

Revenue grants are credited as incoming resources in the period to which they relate provided conditions for receipt have been complied with.

Grants for core funding are credited as voluntary income in the period to which they relate.

Grants for the purchase of fixed assets are credited to restricted incoming resources in the period in which the expenditure is incurred provided conditions for receipt have been complied with. Depreciation on the fixed assets purchased with such grants is charged against the restricted fund.

INVESTMENT INCOME

Investment income is accounted for on an accruals basis. This income is from share dividends, bank interest and interest from the social investment loans.

TRADING INCOME

All trading income is accounted for on an accruals basis. This income includes external training provided, tenants leases, the payroll bureau and membership.

OTHER INCOME

All other income is included in the statement of financial activities in the period to which the income relates provided the charity is legally entitled to the income. No match funding is included in these accounts although reference to the amount is included in the trustee report and note 8.

Expenditure

GRANTS PAYABLE

Grants payable are accounted for in the period in which the performance conditions attaching to the grant payment are met or, where no performance conditions apply, when a legal or constructive obligation arises.

OTHER EXPENDITURE

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

EXPENDITURE RECOVERED

Expenditure recovered relates to overhead recharges during the year, which includes translation charges, occupancy and consumables, internal staff training, room hire and management fees.

PRESENTATIONAL FUNCTIONAL CURRENCY

The individual financial statements of each group entity are presented in the currency of the primary economic environment in which

Notes to the financial statements

the entity operates (its functional currency). For the purpose of the consolidated financial statements, the results and financial position are presented in Sterling (£).

TANGIBLE FIXED ASSETS AND DEPRECIATION

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Fixtures and fittings – 10 years

Computer equipment – 10 years

Cost comprises the purchase price of the asset and expenditure directly attributable to the acquisition of the item. A fixed asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset and is credited or charged to the statement of financial activities.

Assets which cost £1,000 or less are not capitalised and expensed through the statements of financial activities in the year they are purchased.

INVESTMENTS

Fixed assets investments are stated at their market value, as recorded on a recognised stock exchange. Movements in the market value are taken to the statement of financial activities as unrealised gains or losses on investment assets. Income derived from such assets is recorded as investment income in the year of receipt.

Shares in subsidiary companies are stated at cost less accumulated impairment.

STOCK

Stock relates to property held for resale and is stated at the net book value cost at its time of

transfer from tangible fixed assets to stock. At the end of each reporting period stock are assessed for impairment. If an item of stock is impaired, the identified inventory is reduced to its selling price less costs to complete and sell and an impairment charge is recognised in the profit and loss account. Where a reversal of the impairment is required the impairment charge is reversed, up to the original impairment loss, and is recognised as a credit in the profit and loss account.

FINANCIAL INSTRUMENTS

The Group has chosen to adopt FRS 102, Section 11 Basic Financial Instruments and 12 Other Financial Instruments Issues of FRS 102 in respect of financial instruments.

All financial assets and liabilities are initially measured at transaction price, including transaction costs, except for those financial assets classified at fair value through profit or loss, which are initially measured at fair value (at transaction price excluding transaction costs) unless the arrangement constitutes a financing transaction.

Financial assets and financial liabilities are only offset in the Group balance sheet when, and only when, there is a legally enforceable right to set off the recognised amounts and the Group intends to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Debt instruments (other than those repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at the present value of the future cash flows and subsequently amortised using the effective interest method.

CASH AND CASH EQUIVALENTS

Cash is represented by cash on hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid

Notes to the financial statements

investments which mature in no more than three months from the date of acquisition and which are readily convertible into known amounts of cash with insignificant risk of change in value.

In the consolidated statement of cash flows, cash and cash equivalents are shown net of bank overdrafts which are repayable on demand and form an integral part of the Group's cash management.

DEBTORS

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

DEBTORS MORE THAN ONE YEAR

Debtors more than one year relate to the loan debtors from the social investment loans.

BAD DEBT

If despite best efforts to collect any outstanding income it is deemed to be irrecoverable it is written off as a bad debt through the income and expenditure (I&E) account as a reduction in income.

CREDITORS

Short term trade creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

CONCESSIONARY LOANS

Concessionary loans are loans provided by/ to the charity at an interest rate lower than the prevailing market rate or with more favorable terms than those available from

commercial lenders. Such loans are generally provided to support charitable activities or to provide financial assistance to individuals or organizations that would not otherwise have access to affordable credit.

The charity recognises concessionary loans at cost, which is the amount of cash or other consideration paid/received at the time the loan is made, plus any directly attributable transaction costs. Any difference between the cost of the loan and the nominal value of the loan is recorded as a grant in the statement of financial activities.

Any impairment losses are recognised when there is objective evidence that the charity will not be able to collect all amounts due under the loan agreement. Impairment losses are recognised in line with the conditions of the Concessionary loans and accounted for in the financial statements accordingly.

The charity discloses the amount of concessionary loans outstanding, the interest rates and other terms and conditions, and any amounts recognised as grants or impairment losses in the notes to the financial statements.

It's worth noting that FRS 102 allows charities to choose whether to measure concessionary loans at cost or fair value, as long as they apply the chosen method consistently and disclose the accounting policy and its effect on the financial statements.

EMPLOYMENT BENEFITS

Short-term employee benefits and contributions to defined contribution plans are recognised as an expense in the period in which they are incurred.

The cost of any unused holiday entitlement is recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits and all unused holiday entitlement, as at the year-end, is expensed accordingly.

Notes to the financial statements

Pension costs and other post-retirement benefits

DEFINED CONTRIBUTION PENSION SCHEME

The Group and charitable company operates defined contribution pension schemes for employees. A defined contribution plan is a pension plan under which the Group pays fixed contributions into a scheme whose assets are held separately in independently administered funds. The annual contributions payable are charged to the statement of financial activities.

DEFINED BENEFIT PENSION SCHEME

Scheme assets are measured at fair value. Scheme liabilities are measured on an actuarial basis using the projected unit credit method and are discounted at appropriate high quality bond rates. The net surplus or deficit is presented separately from other net assets on the balance sheet. A net surplus is only recognised to the extent that it is recoverable either through reduced contributions to the plan or by way of a cash refund from the plan.

Refunds from a surplus are not considered to be available if the right to a surplus depends on the occurrence.

The current service cost and costs from settlements and curtailments are charged against operating profit. Interest on the scheme liabilities and interest on scheme assets are recognised in profit or loss. Return on plan assets (excluding interest income) and actuarial gains and losses are reported in the consolidated statement of comprehensive income.

LEASED ASSETS

At inception the Group assesses agreements that transfer the right to use assets. The assessment considers whether the arrangement is, or contains, a lease based on the substance of the arrangement.

FINANCE LEASED ASSETS

Leases of assets that transfer substantially all the risks and rewards incidental to ownership are classified as finance leases.

Finance leases are capitalised at commencement of the lease as assets at the fair value of the leased asset or, if lower, the present value of the minimum lease payments calculated using the interest rate implicit in the lease. Where the implicit rate cannot be determined the Group's incremental borrowing rate is used. Incremental direct costs, incurred in negotiating and arranging the lease, are included in the cost of the asset.

Assets are depreciated over the shorter of the lease term and the estimated useful life of the asset. Assets are assessed for impairment at each reporting date.

The capital element of lease obligations is recorded as a liability on inception of the arrangement. Lease payments are apportioned between capital repayment and finance charge, using the effective interest rate method, to produce a constant rate of charge on the balance of the capital repayments outstanding.

Notes to the financial statements

OPERATING LEASED ASSETS

Leases that do not transfer all the risks and rewards of ownership are classified as operating leases. Payments under operating leases are charged to the profit and loss account on a straight-line basis over the period of the lease.

LEASE INCENTIVES

Incentives received to enter into a finance lease reduce the fair value of the asset and are included in the calculation of present value of minimum lease payments.

Incentives received to enter into an operating lease are credited to the profit and loss account, to reduce the lease expense, on a straight-line basis over the period of the lease.

TAXATION

The charity is exempt from corporation tax on its charitable activities.

Notes to the financial statements

2. Judgements in applying accounting policies and key sources of estimation uncertainty

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenditure in the reporting period. Actual results may differ from those estimates. In the directors' opinion, the following are the critical judgements which have the most significant effect on the amounts recognised in the Group's financial statements:

THE KEY JUDGEMENTS MADE BY MANAGEMENT ARE IN RELATION TO THE FOLLOWING:

1. Recoverability of debtors, and adequacy of the bad debt provision
2. The estimated useful lives and estimated residual value of fixed assets, for the purpose of calculating depreciation to be charged.
3. Defined benefit pension scheme – Management has carefully considered the extent to which a pension asset should be recognised under accounting standards, which require an entity to limit the measurement of a net defined benefit asset to the lower of the surplus in the defined benefit scheme and the asset ceiling, defined to be the present value of economic benefits available in the form of refunds from the scheme or reductions to future contributions. Under IFRIC 14, a refund is available to an entity if the entity has an unconditional right to a refund. Management has taken advice to understand the circumstances under which any surplus assets might not be refunded to Wales Council for Voluntary Action (WCVA) and has made the judgement that WCVA does not have the unconditional right to a refund and has therefore limited the recognition of the pension asset to £nil in line with the relevant accounting standards.

PURPOSE OF DESIGNATED FUNDS

DESIGNATED PROPERTY

This property reserve consists of the net cash received from the three property sales. The reserve will be used for generating investment income via a fund managed portfolio commencing 2023/24.

DESIGNATED BUSINESS DEVELOPMENT EXPENDITURE

The business development expenditure reserve was established because it is important that the charity maximises its income and reduces overall expenditure when possible. Therefore, developing new income streams, strengthening existing ones and improving efficiency are a priority. Whilst some activity is included within the annual budget, in order to meet the costs of larger or more long-term initiatives it is helpful to maintain a designated reserve for this purpose. These costs may include research as well as the development and implementation of plans which will enhance and improve the overall sustainability of the WCVA and the voluntary sector.

DESIGNATED EUROPEAN CLOSURE/REDUNDANCY COSTS

The European closure and redundancy costs designated reserve has been established to ensure sufficient funds are available when the EU funded projects come to an end in 2023. They incorporate both redundancy and pension liabilities anticipated at that time, as well as training for employees affected by the project coming to an end.

LGPS (LOCAL GOVERNMENT PENSION SCHEME) TRANSITION

The LGPS transition designated reserve has been established to ensure sufficient funds are available whilst WCVA is reviewing the LGPS.

ORGANISATIONAL DEVELOPMENT AND DESIGN

During 2022/23 WCVA started its organisational development and design plan. The first phase involved a redevelopment of its organisational structure, which led to a reduction in the staffing numbers. The second phase will involve embedding the new structure; culture, values and behaviours; remuneration review, staff learning and development and systems and processes review. The organisational development and design designated reserve will provide funding for both the scope and implementation of phase 2, the reserve will be increased as work progresses.

Third Sector Resilience Fund for Wales “Resilience Fund”

The initial resilience funding was from the Welsh Government during 2020/21 and was aimed at addressing issues being faced by the sector due to the pandemic. This funding was a blend of grants and loans and this restricted funding remaining relates to the repayable portion which beneficiaries are paying over an agreed time period.

Community Investment Fund and Community Investment Fund 2

This funding for these two loan schemes was from two rounds of European Regional Development Fund moneys (between 2005 and 2016) via the Welsh European Funding Office and Welsh Government. It was to address market failure in the provision of repayable financing to the sector.

Asda Loan Scheme

This funding was via an agreement reached with Social Investment Scotland regarding the use of money collected by Asda via the plastic carrier bag levy. WCVA was chosen as the delivery partner for a loan scheme utilising the Welsh money. This complemented the already established community investment fund loans schemes.

Grants and Procurement Contracts awarded to bodies where Trustees either have direct control or significant influence have been disclosed within note 8. In addition to the grants disclosed in note 8, there are loans outstanding at the year end from Race Council Wales and The Wallich as follows:

Race Council Wales – Resilience fund - £7,500

The Wallich - Resilience fund - £23,543

The Group has taken advantage of the exemption under FRS 102 from disclosing transactions with other wholly owned group companies.

22. Contingent liabilities

There were no contingent liabilities at 31 March 2023 (2022: £nil).

23. Pension commitments

The charity contributes to a range of defined contribution pension schemes on behalf of the employees.

The pension charge for the period represents contributions payable by the charity to the schemes and amounted to £121,421 (2022: £115,172).

The charity also participates in the Local Government Pension Scheme (Cardiff and Vale of Glamorgan Pension Fund) which is administered by Cardiff County Council. The Local Government Pension Scheme is a defined benefit scheme based on final pensionable salary, contributions being charged to the income and expenditure account so as to spread the cost of the pensions over employees' working lives with the charity.

The pension charge for the period was £842,365 (2022: £844,804).

The charity contributes to the Cardiff & Vale of Glamorgan Pension Fund at a common rate applicable to a group of employers, which is set by a qualified actuary having regard to the assets and liabilities of the group as a whole. The contributions of the charity and employees are 34.6% and a variable rate of between 5.5% and 9.9% of earnings respectively.

The most recent valuation carried out as at 31 March 2023, has been updated by independent actuaries to the Cardiff & Vale of Glamorgan Pension Fund to take account of the requirements of FRS102 in order to assess the liabilities of the Fund as at 31 March 2023. Liabilities are valued on an actuarial basis using the projected unit method which assesses the future liabilities discounted to their present value.

On a current funding level basis (which reflects current accrued service and pensionable earnings and statutory revaluation only) there was a surplus of £8,340,000 (2022:surplus of £1,180,000).

WCVA has taken advice on whether it is entitled to show the pension asset in these financial statements and comply with accounting standards, as WCVA does not have an unconditional right to a refund from the pension fund, the asset has been restricted to £nil in these financial statements.

26. Prior year adjustment

The prior year adjustment is relating to a change in accounting treatment of the pension scheme surplus included in the 31 March 2022 financial statements of £1,180,000.

We believe that the new accounting policy is more appropriate, and accordingly, to ensure the consistency of the accounting treatment between periods, it is necessary to restate the current and corresponding periods on the basis of the new accounting policy.

Group strategic report

Achievements and performance

WCVA commenced the first year of our new strategic plan with a strong focus on sustainability and equity.

Cost of living pressures impacted on the sector in a number of ways and our funding advice combined with grant distribution offered much needed support to organisations of all sizes.

Working at a national level we managed multiple stakeholder relationships and actively promoted the role and value of volunteers and the sector.

The war in Ukraine saw the sector step up in many ways, providing local support and demonstrating a warm welcome to Wales as a Nation of Sanctuary.

The Third Sector Support Wales (TSSW) partnership of the 19 County Voluntary Councils (CVCs) and WCVA further developed shared services using digital platforms and methods of measuring the impact of our combined efforts.

We undertook an ambitious change programme to ensure that we are best

placed to meet the needs of our members and the wider sector in an environment that is changing for all of us.

Our group structure comprises WCVA, Social Investment (Cymru) Limited, WCVA Trading Limited, WCVA Services Limited and Cynnal Cymru - Sustain Wales (Cynnal Cymru). We share ambitions to support the sector and wider civil society in Wales.

Principal risks and uncertainties

During this reporting period WCVA reviewed and managed risks that impacted on our work relating to the closure of EU funded activity and the cost of living crisis.

WCVA staff regularly monitor activity and assess operational risks. The Senior Management Team presents the strategic risks to the Audit & Risk Sub-Committee, which reviews the issues and makes suggestions to mitigate risks.

The risks are considered under five headings: leadership, governance,

compliance, resources and sustainability.

The main risks are identified below:

- Not offering appropriate and strategic leadership of the sector in Wales
- Not adhering to appropriate internal systems, procedures and policies
- Not being able to deliver quality outcomes as required by all our funders, projects and contracts
- Lack of financial, physical and human resources to deliver our strategic plan
- Failure to ensure short-term and long-term financial sustainability of the WCVA group

This report was approved by the board on 20 September 2023 and signed on its behalf.

Independent auditor's report to the members and trustees of The Wales Council for Voluntary Action

Opinion

We have audited the financial statements of The Wales Council for Voluntary Action (the parent charitable company) and its subsidiary companies (the 'group') for the year ended 31 March 2023 which comprise the Consolidated Statement of Financial Activities, the Consolidated and Charity Balance Sheet, the Group Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Group's and parent charitable company affairs as at 31 March 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Group and Parent charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Group and Parent Charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on

the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the strategic report and the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report (incorporating the strategic report and the directors' report) has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Group and Parent Charitable Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.

Responsibilities of the trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Group's and Parent Charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Group and Parent Charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was considered capable of detecting irregularities, including fraud

We identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, and then, design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

We discussed our audit independence complying with the Revised Ethical Standard 2019 with the engagement team members whilst planning the audit and continually monitored our independence throughout the process.

Identifying and assessing potential risks related to irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- enquiring of management, including obtaining and reviewing supporting documentation, concerning the Group's and Parent charitable company's policies and procedures relating to:
- identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance.
- detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud.
- the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- discussing among the engagement team how and where fraud might occur in the Financial Statements and any potential indicators of fraud.
- obtaining an understanding of the legal and regulatory frameworks that the Group and Parent Charitable company operates in, focusing on those laws and regulations that had a direct effect on the Financial Statements or that had

a fundamental effect on the operations of the Group and Parent Charitable company. The key laws and regulations we considered in this context included the UK Companies Act and relevant tax legislation.

Audit response to risks identified

In addition to the above, our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations.
- enquiring of management concerning actual and potential litigation and claims; performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
- reading minutes of meetings of those charged with governance and reviewing correspondence with HMRC; and

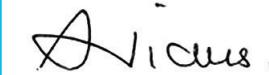

- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments.
- assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and
- evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.
