Volunteering Wales Grant Scheme – Strategic Grant Awards

Organisation	Project Description	Grant Awarded
Caerphilly County Borough Council	Building on the learning during 2021/22 the Council will work in partnership with GAVO to standardise volunteering practices & policies in the organisation, grow the Employee Volunteering Scheme, develop volunteering opportunities engaging our private sector contractors, explore new pathways for volunteering in the organisation.	£ 100,000.00
Foothold Cymru	To give young people (11-16), who have never volunteered, the best chance to undertake activities, through development of a suite of resources, co-produced with young people, that can be shared with and utilised by third sector organisations and schools to promote inclusion in volunteering and link into the new national curriculum.	£ £98,498.61
Innovate Trust	To identify how online voluntary action can mitigate the risk of loneliness and isolation amongst people with learning disabilities, especially those who have difficulty with accessing mainstream activities in the community.	£ 54,401.52

St Giles Trust	St Giles Cymru will work in partnership with Third Sector, Private Sector and Public Sector partners to explore, understand and respond to the needs & opportunities for 'Non-Traditional' Volunteers & Host organisations to develop a Lived Experience Volunteering Model and Quality Framework for Wales.	£ 99,793.00
Greenstream Flooring	To achieve better collaboration, support, quality and recognition of the role of volunteering within a climate change environment within RCT and potentially beyond. This project seeks to develop a collaborative and coordinated approach to supporting volunteering in response to climate change, recognising that small steps add up to valuable contributions.	£ 75,848.49
