Welsh Government's Wales and Africa Grant Scheme

Wales and Africa Grant scheme 2022/25 Round 3

Organisation name	50 word description	County	Grant request
The Troy Trust (Bees for Development)	The project will empower women by providing them with a sustainable low-capital business opportunity – beekeeping – for income generation, to improve their wellbeing and their children’s life chances. We will provide technical and business skills to support successful enterprises and work hard to redress the gender imbalance within this sector.	Monmouthshire, Powys, Merthyr Tydfil, Newport, Cardiff and Blaenau Gwent	£25,000.00
Interburns	Advanced Burn Care (Rehabilitation) delivered to 35 occupational and physical therapists from across Africa. The training, which is hands on and highly participatory, aims to build skills and foster leadership in a new generation of burn rehabilitation specialists in the region. It will be led by a therapist from Ghana supported by international volunteer faculty.	Cardiff	£25,000.00
Care for Uganda	Over the last 10 years we have provided 8 ambulances to Lowero District. We continue to fund the service, although the management has been handed over to local officials. This project is a pilot to ensure the local officials have the systems and processes to fund the service	Vale of Glamorgan and Swansea	£14,429.00

	for two new ambulances, with a view of handing over responsibility for the entire service to them in the future. This will ensure the long term sustainability of the whole project.		
From Wales	At current rates of deforestation, Malawi will have no trees by 2079. Deforestation causes crop failure, landslides, flooding and biodiversity collapse. The Family Tree Project will plant 40,000 trees, supporting 900 people in climate change-resilient sustainable livelihoods. Providing improved access to food, shelter and sustainable fuel sources.	Carmarthenshire and Pembrokeshire	£15,000.00
Tools for Self Reliance Cymru	The project provides tools and intensive certificated training courses for young artisans for a broad range of trades helping to improve their skills, opportunities and sustain their livelihoods.	Powys	£19,368.60
Life for African Mothers	We will fight maternal mortality in Sierra Leone by providing extra professional training to 80 midwives and health workers and developing the skills of local trainers. We will also work participatively with stakeholders in Sierra Leone on a new needs assessment and ways of evaluating our work.	Cardiff	£23,000.00
