Bawso	We aim to play an important role in the elimination of FGM in the Sebei region of Uganda. We will work with Sebei Community Empowerment Project in Uganda to run sessions and build alliances through schools and the community. The impact is FGM reduction by 55% within 10 years.	£26,629.00	Cardiff, Flintshire, Neath Port Talbot, Newport, Swansea, Wrexham	Uganda	Lifelong Learning
Bees for Development	The project will empower Ugandan women living in poverty and with limited income earning opportunities through beekeeping training and market development. Funding will redress the gender imbalance in beekeeping and give women the confidence and the means to take control of and improve their lives through beekeeping enterprises.	£30,000.00	Monmouthshire	Uganda	Sustainable Livelihoods
Care for Uganda	We will support 8 self-started rural women's groups in Luwero District - boosting their livelihoods activities and financial autonomy. We will also provide training advice, information and support around key gender issues that affect them, including women's and family legal rights, addressing gender violence, managing menstruation and community leadership.	£29,750.00	Bridgend, Carmarthenshire, Neath Port Talbot, Swansea, Vale of Glamorgan	Uganda	Sustainable Livelihoods
GBV Uganda Projects	Training and equipping 40 females in hairdressing and equipping a salon at the training centre creating financial sustainability. Training and equipping 20 women, 14 working in the community and 6 based at the training centre in craft making.	£20,000.00	Blaenau Gwent, Caerphilly, Merthyr Tydfil, Monmouthshire, Newport, Swansea,	Uganda	Lifelong Learning

	Training and equipping 50 beneficiaries within 2 communities in beekeeping.		Torfaen, Wrexham		
Size of Wales	This project will empower women in Uganda to tackle climate change. 1. Trained in land use planning, agroforestry, and soil/water conservation. 2. Women have increased knowledge and strengthened decision making power 3. New climate resilient livelihood opportunities and technologies promoted. 4. Best practices and lessons learned documented and inspiring stories shared in Wales.	£30,000.00	All	Uganda	Climate Change & Environment
Teams4U The Charity	To prevent the 28% of at risk girls from absenteeism and dropping out. By providing SRHR and women's rights lessons, once a week to 10,000 students in 10 schools. To train 40 teachers, 30+ stakeholders, 1000+ parents on relevant topics. To better MHM, distributing reusable sanitary pads, creating period-friendly schools.	£25,000.00	Wrexham	Uganda	Health
