Why Should WCVA Members vote for me to be a trustee?

I am passionate about the voluntary sector and ensuring it has a bright future in Wales.

As a skilled bilingual communicator working in the third sector, I believe I can offer valuable insight to support WCVA's mission of "making a bigger difference together". I am particularly keen to contribute my perspective as a young professional to help shape and drive its growth.

Working at Tenovus Cancer Care has given me an even greater appreciation for the voluntary sector. I've witnessed the dedication of our volunteers and the impact of collective action. As Head of Marketing & Communications, I lead insight-driven campaigns that raise awareness, address inequalities, and inspire action.

I am committed to diversity and inclusion. As chair of the charity's Welsh language group and member of its equality, diversity, and inclusion group, I am proud of the significant and sustainable progress we've made in creating a more accessible organisation. In my leadership role, I manage a team of six and enjoy developing a collaborative and empowering work environment.

For my personal development, I would relish the opportunity to bring my skills and experience to my first trustee role for an organisation whose mission and values resonate deeply with me.
