Why Should WCVA Members vote for me to be a trustee?

I have five years experience as a trustee for ScoutsCymru making sure the organisation is safe, inclusive and offers skills for life to the 14 000 youth members in Wales. Throughout this time my particular focus has been championing young people's voices and ensuring they can input to decisions ensuring that Scouts remains relevant to both our adult volunteers and youth members as well as those who may wish to join. During this time, I have worked on all areas of the organisation and its work including a governance review and restructure, a staff restructure, I have chaired the ScoutsCymru Risk Committee and participated in Finance, Governance and Project work on the various sub-committees of the main board.

Professionally, I worked for Ceredigion Association of Voluntary Organisations which has exposed me to a broad range of organisations within the sector so I have a wide appreciation of the challenges and occupying opportunities that the sector faces in the coming years.

I am passionate about youth voice and believe that voluntary organisations have huge potential to help solve societies biggest challenges and would love to be a part of helping to realise those opportunities.
