Why should WCVA's members vote for me to be a Trustee?

I bring a unique blend of experience, commitment, and a fresh perspective to the WCVA board. My active involvement in LGBTQ+ activism and roles with the Welsh Youth Parliament and as a government advisor have provided me with valuable insights into policy-making and advocacy. My youth is an asset, offering innovative ideas and a modern viewpoint on inclusivity and community needs. My experience in shaping strategic plans, reviewing funding applications, and promoting equality underscores my ability to contribute meaningfully. By voting for me, you support a trustee who is dedicated to driving impactful change, fostering diverse representation, and advancing WCVA's mission with fresh energy and a forward-thinking approach.
