Why should WCVA members vote for me to be a trustee?

As a passionate Welsh speaker with deep roots in our community, I am eager to bring my experience and dedication to the WCVA Board. As Volunteer, Involvement & Events Lead at Crisis, I honed my skills in volunteer management, co-production, and strategic planning, effectively raising awareness and driving impact. My role includes overseeing significant projects, engaging diverse groups, and leading events resonating with our mission.

My experience as Trustee at Discovery further solidified my commitment to the third sector. Proudly writing their Welsh language policy, ensured inclusivity and representation. The Young Trustee Training and the Foundations for the Third Sector course, equipped me with a solid understanding of finance, governance, and data-driven decision-making. At home, my flock of lovely rescue chickens, with unique personalities, are a reminder of the importance of kindness, care, and second chances-values held personally and professionally.

I bring fresh ideas and diversity of thought as a young leader, eager to contribute to WCVA's vision. Passionate about the third sector's power to drive change, I believe my unique perspective, combined with professional expertise and dedication to the Welsh language, will be valuable assets to the Board. I ask for your vote to continue making meaningful differences together.
