Why should WCVA's members vote for me to be a Trustee?

My name is Lizzie, I am 27 years old and a proud Welsh speaker living and working in Caerdydd. I have plucked up the courage to apply for this opportunity to join the WCVA Board. Although I have not been a Trustee before, I have experience of working closely with The Wallich's dedicated Board of Trustees, assisting the Company Secretary and coordinating the Executive Team.

My skillsets are within governance, attention to detail and coordinating and managing meetings with a solution focused approach to problem solving. I have been working in the homelessness sector for the past 2 years. I have witnessed firsthand the positive impact that volunteering has on people within our community and am inspired by the vast array of dedicated and compassionate voluntary organisations across Wales, whose mission is to support and advocate change for marginalised communities.

To be a Trustee on the Board of the WCVA would be an exciting experience in which I would endeavor to bring a creative and colourful perspective. I am ready to jump straight in and demonstrate my commitment to making a bigger difference together.
