Landfill Disposals Tax Communities Scheme

Landfill Disposals Tax Communities Scheme Round 14 awards

Organisation	50 word description	Theme	Wales location	Grant award
ACE – Action In Caerau And Ely	ACE GreenSpaces connects four community gardens across Ely and Caerau with support and shared resources, boosting biodiversity and creating a lasting movement for nature. Through coordinated garden improvements and engagement co-created with our community, residents will gain green skills while caring for the wildlife on their doorstep.	Biodiversity	Cardiff	£48,477.00
Buglife	Wrexham Stepping Stones will restore 12ha of Open Mosaic Habitat, creating connected brownfield habitats for wildlife and people across Wrexham. Working with communities, landowners and partners, we will improve ecological networks, gather species data, provide management advice, and deliver inclusive activities that build skills, awareness and support nature recovery.	Biodiversity	Wrexham	£29,560.00
Llanelli Railway Goods Shed Trust	SustainAble Station will revitalize a Grade II Listed Goods Shed, creating a sustainability hub offering hands-on workshops in upcycling and a space to share skills. A scrapstore, library of things and refill station will further reduce waste, empower the community and improve biodiversity through learning, skills-building, and environmental engagement.	Waste minimisation	Carmarthenshire	£49,000.00

Organisation	50 word description	Theme	Wales location	Grant award
Llyn Parc Mawr Community Woodland Group Ltd	Recruit, train and equip local volunteers to enhance Llyn Parc Mawr through practical conservation, biodiversity projects, installation of floating wetland rafts, community engagement and leadership development, creating a sustainable volunteer workforce that builds community, strengthens wildlife, wellbeing and the long-term management of the woodland.	Biodiversity	Isle of Anglesey	£46,999.00
Promo Cymru Ltd	Ebbw Vale Institute (EVI) will deliver free repair, reuse and upcycling activities, a family engagement programme, and waste reduction education. Our community will learn sewing, bike maintenance, electrical care and wood upcycling, join family workshops, and take part in community events that reduce waste, build skills and strengthen local connections.	Waste minimisation	Blaenau Gwent	£24,537.36
The Willow Collective CIC	In partnership with Denbighshire Countryside Service, undertaking the first phase of the renewal and regeneration of Rhyl's Glan Morfa Woodland, aka The Cob. The plan is designed, curated and managed by The Willow Collective and a dedicated team of countryside rangers and local community volunteers.	Wider environmental enhancement	Denbighshire	£48,000.00

Organisation	50 word description	Theme	Wales location	Grant award
Tillery Action for You Ltd	Our project is working with Blaenau Gwent CBC Biodiversity department developing our new Cwm Meadows Community farm whilst growing sphagnum moss and insect friendly wildflowers aimed at species broadening, habitat development and re-establishing upland wetlands reducing the possibility of wildfires in the county.	Biodiversity	Blaenau Gwent	£42,066.23
Wild Ground	We will encourage the responsible use of the local environment and reduce antisocial behaviour on green spaces, working on nature reserves in Buckley. We will provide volunteering opportunities and positive activities in these green spaces, particularly for young people, and bring benefits for wildlife and environmental quality.	Wider environmental enhancement	Flintshire	£41,761.58
Wrexham Youth and Play Partnership (WYPP)	This project will replace worn fencing, upgrade the allotment area and install new toilet blocks at the adventure playground, improving safety and creating better outdoor space for local children and families. The improvements will support community growing, play and wellbeing, strengthening these much-loved community resources.	Wider environmental enhancement	Wrexham	£41,962.89
